IMPORTANT NOTICE TO NUVEEN [] SHAREHOLDERS

JULY 2003

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. WHY AM I RECEIVING THIS PROXY STATEMENT?

A. Closed-end investment companies listed on the New York Stock Exchange such as your Fund are required to hold annual meetings to approve the election of Directors. In addition, such companies are required to obtain shareholder approval for certain changes to their investment policies. Your Fund is seeking shareholder approval on the following items:

1. To elect directors to serve on each Fund's Board of Directors.
2. To approve changes to each Fund's fundamental investment policies.
3. To approve an Agreement and Plan of Reorganization to reorganize each Fund into a newly created Massachusetts business trust.

Please refer to the proxy statement for a detailed explanation of the proposed items.

Q. WHY ARE INDIVIDUALS RECOMMENDED FOR ELECTION TO THE BOARD OF DIRECTORS?

A. Currently, two separate board clusters oversee the funds in the Nuveen family of funds. One board cluster comprised of the same board members oversees the funds managed by Nuveen Advisory Corp. and one board cluster

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

comprised of the same board members oversees all but one of the funds managed by Nuveen Institutional Advisory Corp. (the "Adviser"). The Board of your Fund has proposed to consolidate both board clusters into a single board cluster so that the same individuals serve on the boards of most Nuveen funds.

Your Board believes that the consolidation of board clusters will have the following advantages:

- combining the board will avoid the need to add new board members to each board cluster at various later dates to maintain the current size and structure of each board cluster and thereby avoid the costs associated with multiple meetings to fill such vacancies;
- combining the board ensures that each Fund will gain new board members that are already knowledgeable about Nuveen and investment companies in general;
- consolidating the board clusters into one board would reduce the duplication of board materials and reports covering the same issues and would avoid the need for repeated presentation by the same personnel at different meetings;
- reducing the administrative burden allows the Adviser and its personnel to focus on non-administrative matters; and
- a single board overseeing all operations of the Nuveen family of funds will have a better picture of all issues facing shareholders and would eliminate any inconsistencies between how each board cluster approaches issues.

Q. WHICH FUNDAMENTAL INVESTMENT POLICIES ARE CHANGING?

- A. Your Board has proposed to amend your Fund's fundamental investment policies relating to borrowing and lending in connection with the implementation of a proposed interfund lending program.

Q. WHY IS THE FUND PROPOSING TO CHANGE ITS FUNDAMENTAL INVESTMENT POLICIES?

- A. In connection with disaster recovery planning and to provide liquidity in the event that open-end funds in the Nuveen family of funds encounter higher than normal redemption requests that may follow a national disaster such as the events of September 11, 2001, your Board has authorized the Fund's participation in an interfund lending program that would allow the Nuveen Funds, including your Fund, to lend and borrow cash for temporary purposes directly to and from each other. The proposed new fundamental investment policies will enable your Fund to participate in this interfund lending program.

Q. WHAT IS THE PURPOSE OF THE REORGANIZATION?

- A. The purpose of the reorganization is for each Fund, currently organized as a Minnesota corporation (each, a "Minnesota Fund"), to reorganize (each, a "Reorganization") into a newly created Massachusetts business trust (each, a "Massachusetts Fund"). This type of reorganization may be referred to as a "change in domicile reorganization."

The Board of each Fund believes that each Reorganization will achieve the following advantages:

- create savings and operating efficiencies by realizing economies of scale

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

through increased standardization of documents among the Nuveen family of funds, most of which are organized as Massachusetts business trusts;

- lower expenses, particularly legal expenses, through economies of scale associated with compliance by the Nuveen family of funds with Massachusetts law only, rather than both Minnesota and Massachusetts law;
- reducing such administrative burdens will allow the Adviser and its personnel to focus more on non-administrative matters;
- create flexibility in conducting its business as a closed-end investment company. For example, under each Fund's interpretation of Minnesota law, the Board of the Fund does not have the authority, without shareholder approval, to (a) increase the number of authorized shares of an existing series of MuniPreferred or (b) make amendments to certain rating agency definitions in the Fund's Statement Establishing and Fixing the Rights and Preferences of MuniPreferred. However, a Massachusetts business trust may provide for the flexibility to take these actions without shareholder approval.

Q. HOW DO THE DIRECTORS OF MY FUND SUGGEST THAT I VOTE?

A. After careful consideration, the trustees of your Fund unanimously recommend that you vote "FOR" each of the items proposed.

Q. WILL MY VOTE MAKE A DIFFERENCE?

A. Your vote is needed to ensure that the proposals can be acted upon. Additionally, your immediate response to these items will help save on the costs of any future solicitations for a shareholder vote. We encourage all shareholders to participate in the governance of their Fund.

Q. WHO DO I CALL IF I HAVE QUESTIONS?

A. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call your financial advisor or call Nuveen at (800) 257-8787 weekdays from 7:00 a.m. to 7:00 p.m. Central time.

In addition, you may vote by telephone by calling the toll-free number on the proxy card or by computer over the internet (www.proxyvote.com) and using the control number on the proxy card.

("Insured Municipal Opportunity"), Nuveen Premier Municipal Income Fund, Inc. ("Premier Municipal"), Nuveen Premier Insured Municipal Income Fund, Inc. ("Premier Insured"), Nuveen Premium Income Municipal Fund 2, Inc. ("Premium Income 2") and Nuveen Premium Income Municipal Fund 4, Inc. ("Premium Income 4") (individually, a "Fund" and collectively, the "Funds"), of proxies to be voted at the Annual Meeting of Shareholders to be held on July 28, 2003 (for each Fund, an "Annual Meeting" and collectively, the "Annual Meetings"), and at any and all adjournments thereof.

On the matters coming before each Annual Meeting as to which a choice has been specified by shareholders on the proxy, the shares will be voted accordingly. If no choice is so specified, the shares will be voted FOR the election of nominees as listed in this Joint Proxy Statement, FOR the changes to each Fund's fundamental investment policies and FOR the Agreement and Plan of Reorganization. Shareholders who execute proxies may revoke them at any time before they are voted by filing with that Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

This Joint Proxy Statement is first being mailed to shareholders on or about , 2003.

The Board of each Fund has determined that the use of this Joint Proxy Statement for each Annual Meeting is in the best interest of each Fund and its shareholders in light of the similar matters being considered and voted on by the shareholders.

The following table indicates which shareholders are solicited with respect to each matter:

MATTER		COMMON SHARES	MUNI- PREFERRED (1)
1a(i).	Election of ten (10) Board Members by all shareholders (except Municipal Value and Municipal Income).	X	X
a(ii).	Election of two (2) Board Members by MuniPreferred only (except Municipal Value and Municipal Income).		X
b.	Election of twelve (12) Board Members for Municipal Value and Municipal Income by all common shareholders.	X	N/A
2a.	Change in fundamental investment policy by all shareholders together as a single class and by MuniPreferred shareholders as a separate class.	X	X
3.	Approval of Agreement and Plan of Reorganization by all shareholders together as a single class and by each series of MuniPreferred voting as a separate class.	X	X

(1) "MuniPreferred" means "Municipal Auction Rate Cumulative Preferred Stock."

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting, except that for the election of the two Board Member nominees to be elected by holders of MuniPreferred of each Fund (except Municipal Income and Municipal Value), 33 1/3% of the MuniPreferred shares entitled to vote and represented in person or by proxy will constitute a quorum except that for

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

Premium Income, a majority of the MuniPreferred shares entitled to vote and represented in person or by proxy will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and "broker non-votes" (i.e., shares held by brokers or nominees, typically in "street name," as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund abstentions and broker non-votes will be treated as shares voted against the election of Board Members, against the proposed changes to each Fund's fundamental investment policies and against the Agreement and Plan of Reorganization. The details of the proposals to be voted on by the shareholders and the vote required for approval of the proposals are set forth under the description of each proposal below.

Shares of a series of MuniPreferred held in "street name" as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the meeting, or, if adjourned, one business day before the day to which the meeting is adjourned, and that would otherwise be treated as "broker non-votes" may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on each item in the same proportion as the votes cast by all MuniPreferred shareholders of that series who have voted on that item. Rule 452 permits proportionate voting for a series of MuniPreferred with respect to a particular item if, among other things, (i) a minimum of 30% of the shares of MuniPreferred of that series outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the shares of MuniPreferred of that series outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares "voted" and, for the purpose of meeting the 10% test, abstentions will not be treated as shares "voted" against the item.

Those persons who were shareholders of record at the close of business on May 29, 2003 will be entitled to one vote for each share held. As of May 29, 2003, the shares of the Funds were issued and outstanding as follows:

1. ELECTION OF BOARD MEMBERS OF EACH FUND

GENERAL

Currently, two separate board clusters oversee the funds in the Nuveen family of funds. One board cluster comprised of the same board members oversees the funds managed by Nuveen Advisory Corp. ("NAC" or the "Adviser") and one board cluster comprised of the same board members oversees all but one of the funds managed by Nuveen Institutional Advisory Corp. ("NIAC"). Each current board cluster has a total of six board members who are not "interested persons" (as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act")) and who are not affiliated with Nuveen or a fund's investment adviser (the "Independent Board Members") and one board member who is an "interested person." Below is a list of board members of each board cluster.

The Boards of each Fund have proposed to consolidate both board clusters into a single board cluster so that the same individuals serve on the boards of most of the Nuveen funds. All individuals serving on both board clusters are nominated to serve on the combined board except James E. Bacon, who is retiring. Mr. Bacon currently serves as a Board Member on the NIAC board cluster.

The following is a list of the nominees under the proposal who are continuing Board Members of each Fund and the nominees who are new board members:

CONTINUING BOARD MEMBERS (NAC BOARD CLUSTER):	NEW BOARD MEMBER NOMINEES (NIAC BOARD CLUSTER):
Timothy R. Schwertfeger*	William E. Bennett
Robert P. Bremner	Jack B. Evans
Lawrence H. Brown	William L. Kissick

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

Anne E. Impellizzeri
Peter R. Sawers
William J. Schneider
Judith M. Stockdale

Thomas E. Leafstrand
Sheila W. Wellington

* Interested person. Mr. Schwertfeger currently serves on both board clusters.

In part, the proposal to create a single board is being recommended because of the large number of retirements that will occur over the next few years. Within two years, the aggregate number of Independent Board Members that serve on both

3

board clusters (currently 12) is expected to fall to six, due to a number of retirements because of age and/or tenure limitations for board membership. Combining the board will avoid the need to add new board members to each board cluster at various later dates to maintain the current size and structure of each board cluster and thereby avoid the costs associated with multiple meetings to fill such vacancies. In addition, combining the board ensures that each Fund will gain new board members that are already knowledgeable about Nuveen and investment companies in general.

Historically, the two separate board clusters have had separate meetings but often have reviewed similar policy issues, contractual arrangements and other matters. Among other potential efficiencies, the Board of each Fund believes that consolidating the board clusters into one board would reduce the duplication of board materials and reports covering the same issues and would avoid the need for repeated presentation by the same personnel at different meetings. This would permit the Adviser and its personnel to focus on non-administrative matters. In addition, a single board overseeing all operations of the Nuveen family of funds will have a better picture of all issues facing shareholders. Furthermore, a single board would eliminate any inconsistencies between how each board cluster approaches issues.

At its May 15, 2003 meeting, each board cluster reviewed the compensation paid to Independent Board Members and determined that compensation should be increased because of the expanded responsibilities of the Board Members due to (a) the increase in the number and types of investment companies overseen by the Board Members and (b) recent additional legal and regulatory requirements. Effective July 1, 2003, for all Nuveen Funds overseen, Independent Board Members will receive a \$65,000 annual retainer for all Nuveen Funds, plus (a) a fee of \$2,000 per day for attendance in person or by telephone, if for unavoidable reasons, at a regularly scheduled meeting of the Board; (b) a fee of \$1,000 per day for attendance in person where such in-person attendance is required and \$500 per day for attendance by telephone or in person where in-person attendance is not required at a special, non-regularly scheduled, board meeting; (c) a fee of \$1,000 per day for attendance in person at an Audit Committee meeting where in-person attendance is required and \$500 per day for attendance by telephone or in person where in-person attendance is not required; (d) a fee of \$500 per day for attendance in person or by telephone for a meeting of the dividend committee; and (e) a fee of \$500 per day for attendance in person at all other committee meetings on a day on which no regularly scheduled Board meeting is held in which in-person attendance is required and \$250 per day for attendance by telephone or in person at such meetings where in-person attendance is not required, plus, in each case, expenses incurred in attending such meetings. The Boards do not anticipate any further change in the compensation schedule as a result of the board consolidation.

Currently, for all Nuveen Funds overseen, the continuing Independent Board

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

Members of the Funds receive a \$15,000 quarterly retainer (\$60,000 annually) for serving as a board member of all funds affiliated with Nuveen and the Adviser and a \$1,750 fee per day plus expenses for attendance in person or by telephone at all meetings (including any committee meetings) held on a day on which a regularly scheduled Board meeting is held, a \$1,000 fee per day plus expenses for attendance in person or a \$500 fee per day plus expenses for attendance by telephone at all meetings (including any committee meetings) held on a day on which no regular Board meeting is held, and a \$500 per day fee per day plus expenses for attendance in person or \$250 if by telephone at a meeting of any committee.

The proposal to combine boards, which increases the number of Board Members for each Fund, will increase the total compensation paid by each Fund to Board Members. Management, however, believes that such increase in compensation is not material to each Fund and is justified by the benefits to each Fund and its shareholders. Moreover, as the size of the combined board declines due to retirements over the next two years, the total compensation paid by a Fund to Independent Board Members will decrease.

At each Fund's Annual Meeting (except Municipal Value and Municipal Income), twelve (12) Board Members are to be elected to serve until the next Annual Meeting or until their successors shall have been duly elected and qualified. Under the terms of each Fund's organizational documents (except Municipal Value and Municipal Income), under normal circumstances holders of MuniPreferred are entitled to elect two (2) Board Members, and the remaining Board Members are to be elected by holders of Common Shares and MuniPreferred, voting together as a single class. Pursuant to the organizational documents of Municipal Value and Municipal Income, the Board is divided into three classes, with each class being elected to serve a term of three years. For each of Municipal Value and Municipal Income, twelve (12) Board Members are to be elected at this meeting to serve for multiple year terms.

A. FOR PREMIUM INCOME, PERFORMANCE PLUS, MUNICIPAL ADVANTAGE, MUNICIPAL MARKET OPPORTUNITY, INVESTMENT QUALITY, INSURED QUALITY, SELECT QUALITY, QUALITY INCOME, INSURED MUNICIPAL OPPORTUNITY, PREMIER MUNICIPAL, PREMIER INSURED, PREMIER INCOME 2 AND PREMIUM INCOME 4:

- (i) Ten (10) Board Members are to be elected by holders of Common Shares and MuniPreferred, voting together as a single class. Board Members Bremner, Brown, Impellizzeri, Sawers and Stockdale and Messrs. Bennett, Evans, Kissick and Leafstrand and Ms. Wellington are nominees for election by all shareholders.
- (ii) Holders of MuniPreferred are entitled to elect two (2) of the Board Members. Board Members Schneider and Schwertfeger are nominees for election by holders of MuniPreferred.

4

B. FOR MUNICIPAL VALUE AND MUNICIPAL INCOME: The Boards of Municipal Value and Municipal Income have designated, Robert P. Bremner, William J. Schneider, Judith M. Stockdale and Jack B. Evans as a Class III and Class II Board Members, respectively, and as nominees for Board Members for a term expiring at the Annual Meeting of shareholders in 2006, and until their successors have been duly elected and qualified; William E. Bennett and Thomas E. Leafstrand as a Class II and Class I Board Members, respectively, and as nominees for Board Members for a term expiring at the Annual Meeting of shareholders in 2005 and until their successors have been duly elected and qualified; and William L. Kissick and Sheila W. Wellington as Class I and Class III Board Members, respectively, and as nominees for Board Members for a term expiring at the Annual Meeting of shareholders in 2004, and until

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

their successors have been duly elected and qualified. The remaining Board Members Brown, Impellizzeri, Sawers, and Schwertfeger are current and continuing Board Members. The Boards of Municipal Value and Municipal Income have designated Board Members Brown, Sawers and Schwertfeger as continuing Class I and Class III Board Members, respectively, for terms that expire in 2004. The Boards of Municipal Value and Municipal Income have designated Board Member Impellizzeri as a continuing Class II and Class I Board Member, respectively, for a term that expires in 2005.

For each Fund, the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a Board Member of each Fund if elected. However, should any nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by that Fund's present Board.

All of the continuing Board Member nominees (except for Municipal Value and Municipal Income) were last elected to the Board at the 2002 annual meeting of shareholders. Anne E. Impellizzeri was last elected to the Board for Municipal Value and Municipal Income at the 2002 annual meeting of shareholders. Timothy R. Schwertfeger, Lawrence H. Brown and Peter R. Sawers were last elected to the Board for Municipal Value and Municipal Income at the 2001 annual meeting of shareholders. Robert P. Bremner, William J. Schneider and Judith M. Stockdale were last elected to the Board for Municipal Value and Municipal Income at the 2000 annual meeting.

Other than Mr. Schwertfeger, none of the Board Member nominees have ever been a director or an employee of Nuveen Investments, Inc. ("Nuveen") or any affiliate.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES NAMED BELOW.

9

On March 31, 2003, continuing Board Members and executive officers as a group beneficially owned 578,368 common shares of all funds managed by NAC and NIAC (includes Deferred Units and shares held by the executive officers in Nuveen's 401(k)/profit sharing plan). Each continuing Board Member's individual beneficial shareholdings of each Fund constitute less than 1% of the outstanding shares of each Fund. As of March 31, 2003, the continuing Board Members and executive officers as a group beneficially owned less than 1% of the outstanding common shares of each Fund. As of March 31, 2003, the Board Member nominees and executive officers of the Funds did not own any shares of MuniPreferred. As of , 2003, no shareholder beneficially owned more than 5% of any class of shares of any Fund.

COMPENSATION

The Board Members affiliated with Nuveen or the Adviser serve without any compensation from the Funds. The Independent Board Members are paid an annual retainer and fees and expenses for Board meetings and committee meetings as described above. The annual retainer, fees and expenses are allocated among the funds managed by the Adviser on the basis of relative net asset sizes although Fund management may, in its discretion, establish a minimum amount to be allocated to each Fund. The Boards of certain Nuveen Funds (the "Participating Funds") established a Deferred Compensation Plan for Independent Board Members ("Deferred Compensation Plan"). Under the Deferred Compensation Plan, Independent Board Members of the Participating Funds may defer receipt of all, or a portion, of the compensation they earn for their services to the Participating Funds, in lieu of receiving current payments of such compensation. Any deferred amount is treated as though an equivalent dollar amount had been invested in shares of one or more eligible Nuveen funds. Each Independent Board Member, other than Mr. Brown, has elected to defer at least a portion of their fees. Each of the Funds except Municipal Income are Participating Funds under the Deferred Compensation Plan.

The table below shows, for each continuing Board Member who is not affiliated with Nuveen or the Adviser, the aggregate compensation (i) paid by each Fund to

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

each continuing Board Member for its last fiscal year and (ii) paid (including deferred fees) for service on the boards of the Nuveen open-end and closed-end Funds managed by NAC ("NAC Funds") and NIAC ("NIAC Funds") for the calendar year ended 2002. Mr. Schwertfeger, a Board Member who is an interested person of each Fund, does not receive any compensation from a Fund or any Nuveen funds.

Nuveen Investments, Inc. maintains charitable contributions programs to encourage the active support and involvement of individuals in the civic activities of their community. The Independent Board Members are also eligible to submit proposals to the committee requesting that contributions be made under this program to Section 501(c)(3) organizations identified by the Board Member, in an aggregate amount not to exceed \$5,000 during any calendar year. COMMITTEES

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

The Board has five standing committees: the executive committee, the audit committee, the governance committee, the dividend committee and the valuation committee.

Peter Sawers and Timothy R. Schwertfeger currently serve as members of the executive committee of the Board of each Fund. The executive committee, which meets between regular meetings of the Board, is authorized to exercise all of the powers of the Board; provided that the scope of the powers of the executive committee, unless otherwise specifically authorized by the full Board, are limited to: (i) emergency matters where assembly of the full Board is impracticable (in which case management will take all reasonable steps to quickly notify each individual Board Member of the actions taken by the executive committee) or (ii) matters of an administrative or ministerial nature. The executive committee of each Fund held no meetings during their last fiscal year, except Performance Plus held one meeting during its last fiscal year.

Lawrence H. Brown and Timothy R. Schwertfeger are current members of the dividend committee. The dividend committee is authorized to declare distributions on the Funds' shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The dividend committee of each Fund held four meetings during its last fiscal year.

Lawrence H. Brown and Judith M. Stockdale are current members of the valuation committee for each Fund. The valuation committee oversees the Fund's Pricing Procedures including, but not limited to, the review and approval of fair value pricing determinations made by Nuveen's Valuation Group. The valuation committee of each Fund held one meeting during its last fiscal year.

Each Fund's Board has an audit committee composed of Independent Board Members and who are "independent" as that term is defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards. The audit committee monitors the accounting and reporting policies and practices of the Funds, the quality and integrity of the financial statements of the Funds, compliance by the Funds with legal and regulatory requirements and the independence and performance of the external and internal auditors. The audit committee reviews the work and any recommendations of the Fund's independent auditors. Based on such review, it is authorized to make recommendations to the Board. A copy of the Audit Committee Charter is attached to the proxy statement as Appendix A. The audit committee of each Fund held three meetings during its last fiscal year.

Nomination of those Board Members who are not "interested persons" of each Fund is committed to a governance committee composed of all Board Members who are not "interested persons" of that Fund. It identifies and recommends individuals to be nominated for election as non-interested Board Members. The committee also reviews matters relating to (1) the composition, duties, recruitment, independence and tenure of Board Members, (2) the selection and review of committee assignments, and (3) Board Member education, board meetings and board performance. The governance committee of each Fund held one meeting during its last fiscal year. In the event of a vacancy on the Board, the governance committee receives suggestions from various sources as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Vice President for Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, IL 60606. The governance committee sets appropriate standards and requirements for nominations for new Board Members and reserves the right to interview all candidates and to make the final selection regarding the nomination of any new Board Members.

The Board of each Fund held four regular quarterly meetings and one special board meeting during its last fiscal year. During the last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

committee meetings (if a member thereof).

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for assisting the Board in monitoring (1) the quality and integrity of the Fund's financial statements, (2) each Fund's compliance with regulatory requirements, and (3) the independence and performance of the Fund's independent and internal auditors. Among other responsibilities, the Committee reviews, in its oversight capacity, each Fund's annual financial statements with both management and the independent auditors and the Committee meets periodically with the independent and internal auditors to consider their evaluation of the Fund's financial and internal controls. The Committee also recommends to the Board the selection of each Fund's independent auditors. The Committee is currently composed of six Board Members and operates under a written charter adopted and approved by the Board. Each Committee member is independent as defined by New York Stock Exchange.

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

The Committee, in discharging its duties, has met with and held discussions with management and each Fund's independent and internal auditors. The Committee has reviewed and discussed the audited financial statements with management. Management has represented to the independent auditors that each Fund's financial statements were prepared in accordance with generally accepted accounting principles. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). Each Fund's independent auditors provided to the Committee the written disclosure required by Independent Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the Committee discussed with representatives of the independent auditor their firm's independence. As provided in the Audit Committee Charter, it is not the Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that each Fund's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Committee's review and discussions with management and the independent auditors, the representations of management and the report of the independent auditors to the Committee, the Committee has recommended that the Board include the audited financial statements in each Fund's Annual Report.

2. PROPOSED CHANGES TO EACH FUND'S FUNDAMENTAL INVESTMENT POLICIES

The Board has proposed amending each Fund's fundamental investment policies relating to borrowing and lending in connection with the implementation of a proposed interfund lending program.

GENERAL

Each Fund's current fundamental investment policy regarding borrowing states:

PERFORMANCE PLUS, PREMIUM INCOME, MUNICIPAL ADVANTAGE, MUNICIPAL MARKET OPPORTUNITY, INVESTMENT QUALITY, INSURED QUALITY, SELECT QUALITY, QUALITY INCOME, INSURED MUNICIPAL OPPORTUNITY, PREMIER MUNICIPAL, PREMIER INSURED, PREMIUM INCOME 2 AND PREMIUM INCOME 4: The Fund ... may not ... borrow money, except from banks for temporary or emergency purposes or for repurchase of its shares, and then only in an amount not exceeding one-third of the value of its total assets including the amount borrowed; while any such borrowings exceed 5% of its total assets, no additional purchases of investment securities will be made.

Municipal Value and Municipal Income: The Fund ... may not ... borrow money, except from banks for temporary or emergency purposes or for repurchase of its shares, and then only in an amount not exceeding one-third of the value of the Fund's total assets including the amount borrowed. While any such borrowings exceed 5% of the Fund's total assets, no additional purchases of investment securities will be made.

Each Fund current fundamental policy regarding lending states:

MUNICIPAL INCOME, PREMIUM INCOME, MUNICIPAL ADVANTAGE, MUNICIPAL MARKET OPPORTUNITY, INVESTMENT QUALITY, INSURED QUALITY, SELECT QUALITY, QUALITY INCOME, INSURED MUNICIPAL OPPORTUNITY, PREMIER MUNICIPAL, PREMIER INSURED, PREMIUM INCOME 2 AND PREMIUM INCOME 4: The Fund ... may not ... make loans, other than by entering into repurchase agreements and through the purchase of Municipal Obligations or temporary investments in accordance with its investment objective, policies and limitations.

MUNICIPAL VALUE: The Fund ... may not ... make loans, other than by entering into repurchase agreements and through the purchase of Municipal Obligations or temporary investments in accordance with its investment objectives, policies and limitations.

16

PERFORMANCE PLUS: The Fund ... may not ... make loans, other than by entering into repurchase agreements and through the purchase of tax-exempt municipal obligations or temporary investments in accordance with its investment objective, policies and limitations.

The Board recommends that shareholders vote to replace these policies with the following fundamental investment policy governing borrowing and the following fundamental investment policy regarding lending:

The Fund may not borrow money, except as permitted by the Investment Company Act of 1940 and exemptive orders granted under the 1940 Act.

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

The Fund may not make loans, except as permitted by the Investment Company Act of 1940 and exemptive orders granted under the 1940 Act.

In connection with disaster recovery planning and to provide liquidity in the event that open-end funds in the Nuveen family of funds encounter higher than normal redemption requests that may follow a national disaster such as the events of September 11, 2001, Boards have determined to participate in an interfund lending program that would allow the Nuveen Funds, including the Funds, to lend and borrow cash for temporary purposes directly to and from each other. The proposed new fundamental investment policies will enable each Fund to participate in this interfund lending program.

Because an interfund lending program raises issues under various sections of the 1940 Act, in order to implement the proposal, all Nuveen Funds, including the Funds, will file an application for exemption from certain provisions of the 1940 Act with the Securities and Exchange Commission ("SEC"). The application to the SEC for exemptive relief will not limit interfund lending under the program to emergency situations and the relief, if and when granted, would allow Nuveen to set up a more regular program if it and the Board of a Fund determines that a more regular program would be in the best interests of a fund. Implementation of the interfund lending program is contingent upon the SEC granting the exemptive relief.

Nuveen's open-end funds are far more likely to experience large net cash outflows during an emergency situation than the closed-end funds, therefore the open-end funds will likely be the only funds that would borrow extensively under the program. However, because the closed-end funds might be able to lend money at attractive rates under the program, it is proposed that all current and future Nuveen Funds, both open-end and closed-end, may participate in the program. Because the interest earned by the lending fund on such loans is taxable, Nuveen anticipates that funds that invest primarily in municipal securities would only participate in the program as lenders if the Adviser believes that it would be in the best interests of the shareholders of such funds. Funds that invest primarily in securities other than municipal securities may also utilize the program in non-emergency situations.

Currently, the Nuveen open-end funds can borrow from banks for temporary purposes and can lend to banks or other entities in the form of repurchase agreements or investment in other short-term instruments. The proposed program would reduce the open-end funds' borrowing costs and enhance their ability to earn higher rates of interest on investment of their short-term cash balances. The open-end funds would still be free to establish committed lines of credit or other borrowing arrangements with banks.

It is currently anticipated that the interest rate that will be charged to the funds on any interfund loan ("Interfund Loan Rate") would be the average of the "Repo Rate" (1) and the "Bank Loan Rate." (2) The program would be administered by employees of Nuveen, including representatives of the Funds Administration and Financial Analysis, Product Management, Portfolio Operations and Trading and/or representatives of the Portfolio Management and Research Department who are not portfolio managers ("Interfund Lending Team"). Under the proposed program, in an emergency situation, a meeting of the Interfund Lending Team would be called and the Team would collect data on the uninvested cash and borrowing requirements of the funds. Once it determines the aggregate amount of cash available for loans and borrowing demand, the Interfund Lending Team would allocate loans among borrowing funds with input from portfolio managers.

The Interfund Lending Team would allocate borrowing demand and cash available for lending among the funds on what the Interfund Lending Team believes to be an equitable basis, subject to certain administrative procedures applicable to all funds, such as the time of filing requests to participate, minimum loan lot

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

sizes, and the need to minimize the number of transactions and associated administrative costs. To reduce transaction costs, each loan normally would be allocated in a manner intended to minimize the number of funds necessary to complete the loan transaction. The method of allocation and

- (1) The "Repo Rate" for any day would be the highest rate available to the funds from investing in overnight repurchase agreements with a highly reputable counterparty.
- (2) The "Bank Loan Rate" for any day would be calculated by Nuveen each day an interfund loan is made according to a formula established by the Board designed to approximate the lowest interest rate at which bank short-term loans would be available to the funds. The formula would be based upon a publicly available rate (e.g., Federal Funds plus 25 basis points) and would vary with this rate so as to reflect changing bank loan rates. The Board periodically would review the continuing appropriateness of using the publicly available rate, as well as the relationship between the Bank Loan Rate and current bank loan rates that would be available to the funds. The initial formula and any subsequent modifications to the formula would be subject to the approval of the Board.

17

related administrative procedures would be approved by the Board, including a majority of the Independent Board Members, to ensure both borrowing and lending funds participate on an equitable basis.

Nuveen would (i) monitor the interest rates charged and other terms and conditions of the Interfund Loans, (ii) ensure compliance with each fund's investment policies and limitations, (iii) ensure equitable treatment of each fund, and (iv) make quarterly reports to the Board concerning any transactions by the funds under the program and the Interfund Loan Rates. Nuveen would administer the credit facility as part of its duties under its existing advisory contract with each fund and would receive no additional fee as compensation for its services. The actual terms of any Interfund Loan Program in which the Funds may participate may change from time to time from the description presented here both as a result of a regulatory action in connection with the granting of the appropriate regulatory approvals, or as approved by a Board of a Fund.

VOTES REQUIRED

Approval of the proposed changes to a Fund's fundamental investment policies requires the affirmative vote of a "majority of the outstanding voting securities" of the Fund. For each Fund, except Municipal Value and Municipal Income, common shareholders and MuniPreferred shareholders will vote together as a single class and MuniPreferred shareholders will vote separately as a single class. For Municipal Value and Municipal Income common shareholders will vote together as a single class. The term "majority of the outstanding voting securities" as defined in the 1940 Act means the affirmative vote of the lesser of (1) 67% of the voting securities of the Fund present at the meeting if more than 50% of the outstanding shares of the Fund are present in person or by proxy or (2) more than 50% of the outstanding shares of the Fund. Shareholders of each Fund will vote separately on the proposed changes to each fundamental investment policy.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE PROPOSED CHANGES TO EACH FUND'S FUNDAMENTAL INVESTMENT POLICIES.

3. APPROVAL OF AGREEMENT AND PLAN OF REORGANIZATION

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

GENERAL

The Board of each Fund unanimously approved an Agreement and Plan of Reorganization (the "Agreement") for each Fund in the form attached hereto as Appendix B. The purpose of the reorganization is for each Fund, currently organized as a Minnesota corporation (each, a "Minnesota Fund"), to reorganize (each, a "Reorganization") into a newly created Massachusetts business trust (each, a "Massachusetts Fund"). This type of reorganization may be referred to as a "change in domicile reorganization." The terms and conditions of the Reorganization are set forth in the Agreement. Significant provisions of the Agreement are summarized below; however, this summary is qualified in its entirety by reference to the Agreement.

The Board of each Fund believes that its respective Reorganization will achieve savings and operating efficiencies by realizing economies of scale through increased standardization of documents among the Nuveen family of funds, most of which are organized as Massachusetts business trusts. Among such potential efficiencies are lower expenses, particularly legal expenses, through economies of scale associated with compliance by the Nuveen family of funds with Massachusetts law only, rather than both Minnesota and Massachusetts law. This would permit the Adviser and its personnel to focus more on non-administrative matters.

Each Fund is governed by the 1940 Act as well as by the law of the state of its organization. A Massachusetts business trust is established by trustees (who serve the same role as directors of a Minnesota corporation) under a declaration of trust, which sets forth various provisions relating primarily to the authority of the trust to conduct business and the specific rules governing the trust. The Board of each Minnesota Fund believes that a fund organized as a Massachusetts business trust may have more flexibility in conducting its business as a closed-end investment company than a Minnesota corporation. For example, under each Fund's interpretation of Minnesota law, the Board of the Fund does not have the authority, without shareholder approval, to (a) increase the number of authorized shares of an existing series of MuniPreferred or (b) make amendments to certain rating agency definitions in the Fund's Statement Establishing and Fixing the Rights and Preferences of MuniPreferred. However, a Massachusetts business trust may provide for the flexibility to take these actions without shareholder approval. Therefore, if the Reorganizations are approved, it is expected that the Funds' governing documents would permit the Board Members to issue additional shares of MuniPreferred and would permit rating agency definitions to be amended, subject to rating agency approval and other limitations, without the expense of seeking shareholder approval.

The Board of each Minnesota Fund considered all material issues associated with such Fund's Reorganization and determined that the Reorganization is in the best interest of the Fund's shareholders and that existing shareholders will not be diluted as a result of such Reorganization.

18

The table below shows each Reorganization:

MINNESOTA FUND (MINNESOTA CORPORATION)	MASSACHUSETTS FUND (MASSACHUSETTS BUSINESS TRUST)
Nuveen Municipal Value Fund, Inc.	Nuveen Municipal Value Fund
Nuveen Municipal Income Fund, Inc.	Nuveen Municipal Income Fund
Nuveen Premier Income Fund, Inc.	Nuveen Premium Income Fund

Nuveen Investment Quality Municipal Fund, Inc.	Nuveen Investment Quality Municipal Fund

Nuveen Premier Insured Municipal Income Fund, Inc.	Nuveen Premier Insured Municipal Income Fund
Nuveen Premier Income Fund 2, Inc.	Nuveen Premier Income Fund 2
Nuveen Premier Income Fund 4, Inc.	Nuveen Premier Income Fund 4

Each Reorganization contemplates that (a) a newly established Massachusetts Fund would acquire all or substantially all of the assets of the corresponding Minnesota Fund in exchange for newly issued common shares and newly issued shares of MuniPreferred of the Massachusetts Fund ("Massachusetts Fund Shares") and the Massachusetts Fund's assumption of all or substantially all of the liabilities of the corresponding Minnesota Fund; and (b) the Minnesota Fund would liquidate and distribute to its shareholders pro rata by class the Massachusetts Fund Shares received. As a result of the Reorganization, the shareholders of each Minnesota Fund would become shareholders of the corresponding Massachusetts Fund.

If approved by shareholders of a Fund, the Reorganization will be made effective ("Effective Time") at a date and time when the Board of each Fund deems appropriate. No Effective Time has been set forth in the Agreement, however, it is currently expected that the Reorganization will take place before the end of 2004.

If shareholders of a Fund do not approve the Reorganization, the Fund will continue to do business in its current corporate form.

TERMS OF EACH REORGANIZATION

In connection with the Reorganization, but prior to the completion of each Reorganization, one common share of each Massachusetts Fund will be issued to the corresponding Minnesota Fund. The Minnesota Fund, as the sole shareholder of the Massachusetts Fund, will then take the following actions:

(1) approve the Investment Management Agreement for the Massachusetts Fund on substantially the same terms as the Investment Management Agreement for the Minnesota Fund; and

(2) elect as Board Members of each Massachusetts Fund the same persons who are Board Members of the Minnesota Fund prior to the Reorganization.

Thereafter, if the Reorganization is approved by shareholders and the other conditions are satisfied or waived, at the Effective Time each Massachusetts Fund will acquire all or substantially all of the assets of the corresponding Minnesota Fund, including cash (other than cash used to pay certain Reorganization expenses of the corresponding Minnesota Fund and to pay shareholders exercising dissenters' rights, if any), cash equivalents, municipal obligations and other securities, receivables and other property owned by each Minnesota Fund. In exchange, each Massachusetts Fund would assume from the corresponding Minnesota Fund all debts, liabilities, obligations and duties of the Minnesota Fund (other than certain expenses incurred by the Minnesota Fund in connection with the Reorganization and the payment of amounts to shareholders

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

exercising dissenters' rights, if any), and the Massachusetts Fund would issue to the corresponding Minnesota Fund common shares and shares of MuniPreferred of the Massachusetts Fund. The number of Massachusetts Fund common shares to be issued to the corresponding Minnesota Fund would be the number equal to the number of common shares of the Minnesota Fund outstanding as of the Effective Time. Shares of Massachusetts Fund MuniPreferred would be issued to the corresponding Minnesota Fund on the basis of one share of Massachusetts Fund MuniPreferred for each share of Minnesota Fund MuniPreferred, outstanding as of the Effective Time.

In the event the Reorganization is consummated, as soon as practicable after the Effective Time, each Minnesota Fund will liquidate and distribute to its common shareholders of record the Massachusetts Fund common shares it receives, and to its preferred shareholders of record the shares of Massachusetts Fund MuniPreferred it receives. Such liquidation and

19

distribution will be accomplished by opening accounts on the books of the Massachusetts Fund in the names of the shareholders of the corresponding Minnesota Fund and transferring to those shareholder accounts the Massachusetts Fund Shares previously credited on those books to the account of the corresponding Minnesota Fund. Each common shareholder account will receive a number of Massachusetts Fund common shares equal to the number of common shares of the Minnesota Fund held by such common shareholder, and each preferred shareholder account will receive one share of Massachusetts Fund MuniPreferred for each share of Minnesota Fund MuniPreferred held by such preferred shareholder.

Following the Reorganization, every common shareholder of a Minnesota Fund would own common shares of the corresponding Massachusetts Fund equal to the number of Minnesota Fund common shares immediately prior to the Effective Time. A common shareholder of each Minnesota Fund will therefore acquire substantially the same pro rata interest in the corresponding Massachusetts Fund as of the Effective Time of the Reorganization as that common shareholder had in the Minnesota Fund immediately prior to the Reorganization.

Following the Reorganization, every preferred shareholder of each Minnesota Fund would own the same number of shares of the corresponding Massachusetts Fund's MuniPreferred as he or she held of each Minnesota Fund's MuniPreferred, and the shares of Massachusetts Fund MuniPreferred would have rights and preferences substantially similar to those of the shares of the corresponding Minnesota Fund's MuniPreferred. Holders of shares of Massachusetts Fund MuniPreferred would be entitled to receive, on the date that, but for Reorganization, would have been the next dividend payment date in respect of the shares of Minnesota Fund's MuniPreferred dividends accumulated in respect of the shares of each Minnesota Fund's MuniPreferred dividends equal to the amount of dividends that would have been paid on such date with respect to the shares of each Minnesota Fund's MuniPreferred, but for the Reorganization.

Under the terms of the Agreement, each Reorganization is conditioned upon (a) approval by the shareholders of each Minnesota Fund, as described below, (b) each Minnesota Fund's receipt of written advice from Moody's and S&P confirming that consummation of the Reorganization will not impair the "aaa" and "AAA" ratings assigned to the outstanding shares of each Minnesota Fund's MuniPreferred, (c) each Minnesota Fund's receipt of an opinion to the effect that the effect that the Reorganization will qualify as a reorganization under the Internal Revenue Code of 1986, as amended (the "Code"), (d) the absence of legal proceedings challenging the Reorganization and (e) each Minnesota Funds' receipt of certain routine certificates.

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

The Agreement may be terminated and the Reorganization abandoned, whether before or after approval by each Minnesota Funds' shareholders, at any time prior to the Effective Time (a) by the written consent of the Board, (b) by either party if any condition to that party's obligations under the Agreement has not been satisfied or waived and it reasonably appears that such condition will not be satisfied or (c) by either party if the Reorganization has not occurred by , 2004.

CERTAIN COMPARATIVE INFORMATION ABOUT THE MASSACHUSETTS FUNDS AND THE MINNESOTA FUNDS

As a Massachusetts business trust, each Massachusetts Fund's operations will be governed by a Declaration of Trust, Bylaws (collectively, the "Trust governing documents") and applicable Massachusetts law. As Minnesota corporations, each Minnesota Fund's operations are governed by each individual Minnesota Fund's Articles of Incorporation, Bylaws (collectively, the "Fund governing documents") and applicable Minnesota law. If the Reorganization is approved, the operations of each Massachusetts Fund will continue to be subject to the provisions of the 1940 Act and the rules and regulations of the Securities and Exchange Commission thereunder and applicable state securities laws. Set forth below is a discussion of the major similarities and differences between the Massachusetts Funds and the Minnesota Funds.

INVESTMENT OBJECTIVES, POLICIES AND GENERAL PORTFOLIO CHARACTERISTICS. The investment objectives and policies of the Massachusetts Funds will be identical to those of each corresponding Minnesota Fund and the general portfolio characteristics of the Massachusetts Fund immediately after each Reorganization will be virtually identical to those of each corresponding Minnesota Fund immediately prior to each Reorganization.

BOARD MEMBERS AND OFFICERS. The Board Members and officers of each Minnesota Fund serving immediately prior to each Reorganization will serve in the same capacity for each corresponding Massachusetts Fund immediately after each Reorganization.

COMMON SHARES. Notwithstanding that each Massachusetts Fund is organized as a Massachusetts business trust and each Minnesota Fund is organized as a Minnesota corporation, the common shares of each Massachusetts Fund and each Minnesota Fund have similar voting rights and equal rights with respect to the payment of dividends and distribution of assets upon liquidation and have no preemptive, conversion or exchange rights or rights to cumulative voting. However, shareholders of the Massachusetts Fund will not have dissenters' rights of appraisal. The terms of the Massachusetts Fund's Dividend Reinvestment Plan will be identical to the terms of the Minnesota Fund's Dividend Reinvestment Plan.

PREFERRED SHARES. The terms of the Massachusetts Fund's MuniPreferred issued pursuant to each Reorganization will be substantially similar to the terms of each corresponding Minnesota Fund's MuniPreferred, except that, under each Minnesota Fund's interpretation of Minnesota law, the Board of each Minnesota Fund does not have the authority, without shareholder approval, to (a) increase the number of authorized shares of an existing series of MuniPreferred or (b) make

20

amendments to certain rating agency definitions in each Minnesota Fund's Statement Establishing and Fixing the Rights and Preferences of MuniPreferred. After each Reorganization, each Massachusetts Fund will have the flexibility to take such actions without shareholder approval, subject to certain limitations, including rating agency approval. In addition, the Massachusetts Fund MuniPreferred shareholders will not have dissenters' rights of appraisal.

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

PERSONAL LIABILITY. Under Massachusetts law, shareholders of each Massachusetts Fund could, under certain circumstances, be held personally liable for the obligations of that Massachusetts Fund. However, each Massachusetts Fund's Declaration of Trust will contain an express disclaimer of shareholder liability for debts or obligations of each Massachusetts Fund and requires that notice of such limited liability be given in each agreement, obligation or instrument entered into or executed by each Massachusetts Fund or its trustees. The Massachusetts Funds' Declaration of Trust will further provide for indemnification out of the assets and property of that Massachusetts Fund for all loss and expense of any shareholder held personally liable for the obligations of the Massachusetts Fund. Thus, the risk of a shareholder incurring financial loss on account of shareholder liability is limited to circumstances in which each Massachusetts Fund would be unable to meet its obligations. Management believes that the likelihood of such circumstances is remote. In addition, each Massachusetts Fund's Declaration of Trust will provide that the obligations of that Massachusetts Fund are not binding upon the trustees individually, but only upon the assets and property of the Massachusetts Fund, and that the trustees shall not be liable for errors of judgment or mistakes of fact or law. Nothing in each Massachusetts Fund's Declaration of Trust however, protects a trustee against any liability to which he or she would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office.

SHAREHOLDER MEETINGS. The Trust and Fund governing documents both provide that shareholder meetings (a) may be called at any time by the Chairman of the Board, the President or two or more Board Members and (b) must be called upon the written request of shareholders entitled to cast at least 10% of all the votes entitled to be cast at the meeting.

QUORUM. The Trust and Fund governing documents provide that a majority of shares entitled to vote constitutes a quorum for shareholder meetings.

ELECTION OF BOARD MEMBERS. The Trust governing documents provide that Board Members are elected by (i) a plurality of the voting power of the shares present and entitled to vote at any shareholder meeting. By comparison, the Fund governing documents provide that Board Members are elected by vote of a majority of the voting power of the shares present and entitled to vote at any shareholder meeting.

CONTROL. Both the Trust and Fund governing documents include provisions that could have the effect of limiting the ability of other entities or persons to acquire control of the fund. Specifically, they require the affirmative vote of the holders of at least 66 2/3% of the fund's common shares and preferred shares outstanding the time, voting together as a single class, except as described below, to authorize any of the following transactions:

- (a) a conversion of the fund from a closed-end to an open-end investment company,

- (b) a merger or consolidation of the fund, or any series or class of the fund, with any corporation, association, trust or other organization or a reorganization or recapitalization of the fund, or any series or class of the fund,

- (c) a sale, lease or transfer of all or substantially all of the fund's assets (other than in the regular course of the fund's investment activities), or

- (d) termination of the fund or series or class of the fund by the shareholders,

unless such transaction has been authorized by the affirmative vote of 66 2/3% of the total number of Board Members fixed in accordance with the governing documents, in which case the affirmative vote of the holders of at least a majority of the fund's common shares and preferred shares outstanding at the time, voting together as a single class, is required. In the case of the conversion of the fund to an open-end investment company, or in the case of any of the foregoing transactions constituting a plan of reorganization which adversely affects the holders of preferred shares of the fund, the action in question will also require the approval of the holders of 66 2/3% of the preferred shares of the fund outstanding at the time, voting as a separate class; provided, however, that such separate class vote shall be a majority vote if the transaction has been authorized by the affirmative vote of 66 2/3% of the total number of Board Members fixed in accordance with the fund's governing documents. The vote required to approve the conversion of the fund from a closed-end to an open-end investment company or to approve a transaction constituting a plan of reorganization which adversely affects the holders of preferred shares of the fund is higher than that required by the 1940 Act.

SHAREHOLDERS' RIGHTS OF APPRAISAL

Under Minnesota law, shareholders of each Fund have dissenters' rights of appraisal with respect to each Reorganization.

GENERAL. Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act provide for rights of shareholders to dissent and obtain payment in cash of the "fair value" of their shares, as defined in the statute, in the event of a sale of substantially all of the assets of a Minnesota corporation. The procedures for asserting dissenters' rights are set forth in such sections, the full texts of which are reprinted as Exhibit C to this Joint Proxy Statement. Shareholders of each Fund

21

who wish to assert their dissenters' rights must fully comply with the statutory requirements in order to preserve the right to obtain payment for their shares under the statute. The following summary of the applicable provisions of Section 302A.471 and 302A.473 is not intended to be a complete statement of such provisions and is qualified in its entirety by reference to such Sections.

PROCEDURE. Any shareholder of the Fund who wishes to dissent and obtain payment for his or her shares (a) must file with the Fund prior to the shareholder vote with respect to the Agreement at the Annual Meeting, a written notice stating the shareholder's intention to demand payment of the fair value of his or her shares if the Reorganization is effectuated and (b) must not vote his or her shares in favor of approval of the Agreement. Such notice must be filed at the offices of the Fund at 333 West Wacker Drive, Chicago, Illinois 60606, Attention: Secretary. A vote against approval of the Agreement does not in itself constitute the required written notice described in (a) above. A shareholder must satisfy requirement (b) above either by voting against approval of the Agreement in person or by proxy at the Annual Meeting or by abstaining from voting his or her shares. The shareholder can so abstain by not voting in favor of approval of the Agreement at the Annual Meeting and either (i) not signing and returning the proxy card or (ii) marking the space indicating "Abstain" on the proxy card. If a shareholder returns a signed proxy card, unless such proxy card indicates that the shareholder wishes to abstain or vote against approval of the Agreement, such shareholder's shares will be voted in favor of approval of the Agreement, and such shareholder will not be permitted to dissent.

A shareholder of a Fund may not assert dissenters' rights as to less than all of the shares registered in such holder's name, except in the situation in which

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

certain shares are beneficially owned by another person but registered in such holder's name. If a shareholder wishes to dissent with respect to shares beneficially owned by another person, such shareholder must dissent with respect to all such shares and disclose the name and address of the beneficial owner on whose behalf the holder is dissenting. A beneficial owner who is not the shareholder of record may assert dissenters' rights with respect to all of his or her shares if the beneficial owner submits a written consent of the shareholder of record at the time of or prior to the assertion of such dissenters' rights.

If the Agreement is approved by the requisite shareholder vote, the Fund will be required to mail a notice to each Fund shareholder who filed a written notice of intent to demand payment and refrained from voting in favor of approval of the Agreement. The notice shall state when and where a demand for payment shall be sent and share certificates shall be deposited in order to obtain payment. The notice shall also include a form to be completed by the shareholder for demanding payment and certifying the date on which the shareholder, or the beneficial owner on whose behalf the shareholder is dissenting, acquired the shares. In order to receive the fair value of his or her shares, a dissenting shareholder must demand payment and deposit his or her share certificates within 30 days after the notice is mailed by the Fund. A shareholder who fails to demand payment or fails to deposit share certificates, as required by such notice, shall have no right to receive payment for his or her shares under the dissenters' rights provisions.

After the Reorganization takes effect or after receipt of a valid demand for payment, whichever is later, the Fund shall remit to each shareholder who has made such demand of the Massachusetts Fund and deposited his or her share certificates, the amount that the Fund estimates to be the fair value of the shares, plus any interest that may have accrued commencing five days after the Effective Time up to and including the date of payment at the judgment rate of interest then in effect under Minnesota law (currently 4% per annum). The Fund shall also include with such remittance, along with certain financial statements of the Fund, a brief description of the method used to reach the estimated fair value of the shares of the Fund. As used in Section 302A.473, the term "fair value of the shares" means the value of the shares immediately before the Effective Time.

The Fund may withhold any remittance from a dissenting shareholder who was not a shareholder (or who is dissenting on behalf of a person who was not a beneficial owner) on _____, the date of the first public announcement of the Reorganization, if the Fund (a) provides to such shareholder, along with the materials described in the preceding paragraph, a statement of the reason for withholding the remittance and (b) offers to pay the fair value of the shares, plus interest, if the dissenting shareholder agrees to accept that amount in full satisfaction. The dissenting shareholder may decline the offer and demand payment as described below. Failure to make such demand entitles the dissenting shareholder only to the amount offered by the Fund.

If a dissenting shareholder of the Fund believes that the amount remitted (or the amount offered in the case of certain dissenting shareholders) by the Fund is less than the fair value of his or her shares of the Fund, plus interest, the shareholder may, within 30 days after the mailing date of the remittance (or the offer), give written notice to the Fund of his or her own estimate of the fair value of the shares of the Fund, plus interest, and demand payment of the difference. If the shareholder fails to do so, the shareholder is entitled only to the amount remitted (or offered).

If the Fund receives a demand for supplemental payment from any dissenting shareholder, it shall, within 60 days after receipt of such demand, either (a) pay to the dissenter the amount demanded or agreed to by the dissenter after settlement discussions or (b) file in a court of competent jurisdiction in

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

Hennepin County, Minnesota, a petition requesting that the court determine the fair value of the shares, plus interest. All shareholders of the Fund whose demands have not been settled with the Fund shall be made parties to the proceeding. The court shall determine whether each such dissenting shareholder has complied with all statutory requirements and shall determine the fair value of the shares, taking into account any and all

22

factors the court finds relevant. If the court determines that the fair value of the shares exceeds the Fund's estimate of the fair value of the shares of the Fund, then the court will enter judgment in favor of such dissenting shareholders in an amount by which the value determined by the court exceeds the Fund's estimated value.

The costs and expenses of the proceeding, including the reasonable expense and compensation of any appraisers appointed by the court, shall be determined by the court and assessed against the Fund, except that the court may assess part or all of such costs and expenses against any dissenting shareholder whose action in demanding supplemental payment is found by the court to be arbitrary, vexatious or not in good faith. If the court finds that the Fund has failed to comply substantially with the statutory requirements, the court may assess against the Fund all fees and expenses of any experts or attorneys as the court deems equitable. In addition, fees and expenses may be assessed against any party the court determines has acted arbitrarily, vexatiously or not in good faith in bringing a proceeding for supplemental payment.

Cash received pursuant to the exercise of dissenters' rights may be subject to Federal or state income tax.

FEDERAL INCOME TAX CONSEQUENCES

As a condition of closing, the Minnesota Funds will receive an opinion from Vedder, Price, Kaufman & Kammholz, special counsel to the Minnesota Funds, to the effect that the Reorganization will qualify as a reorganization under Section 368(a)(1) of the Code. Accordingly, no Minnesota Fund will recognize gain or loss for federal income tax purposes as a result of the Reorganization. The following discussion summarizes the anticipated federal income tax treatment to shareholders of each Minnesota Fund.

A common shareholder of the Minnesota Fund who receives solely common shares of a corresponding Massachusetts Fund in exchange for his or her Minnesota Fund common shares pursuant to the Reorganization will not recognize gain or loss for federal income tax purposes. Likewise, a holder of a Minnesota Fund's MuniPreferred shares who receives solely shares of Massachusetts Fund MuniPreferred in exchange for his or her Minnesota Fund MuniPreferred Shares pursuant to the Reorganization will not recognize gain or loss for federal income tax purposes.

The aggregate tax basis of the Massachusetts Fund Shares received by a shareholder of the Minnesota Fund will be the same as the shareholder's aggregate tax basis in the Minnesota Fund Shares surrendered in exchange therefor, decreased by any cash received and increased by the amount of gain recognized on the exchange.

The holding period of the Massachusetts Fund Shares received by a shareholder of the Minnesota Fund will include the period during which the shareholder's Minnesota Fund Shares were held, provided such Minnesota Fund Shares were held as a capital asset at the Effective Time.

No fractional Massachusetts Fund common shares will be issued pursuant to the Reorganization. Cash payments received by a Minnesota Fund shareholder in lieu

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

of a fractional Massachusetts Fund common share will be treated as received by such shareholder as a sale or exchange of such shares and will be treated as capital gain or loss for federal income tax purposes (provided the redemption is not substantially equivalent to a dividend), assuming the Minnesota Fund common shares exchanged for cash in lieu of the fractional Massachusetts Fund common share were held as a capital asset at the Effective Time.

Cash payments received by a Minnesota Fund shareholder as a result of the exercise of his or her dissenters' rights of appraisal with respect to all of such shareholder's shares will be treated as received by such shareholder as a distribution in redemption by the Minnesota Fund of his or her shares and will be treated as a distribution in full payment in exchange for his or her shares, resulting in a capital gain or loss for federal income tax purposes, assuming the Minnesota Fund Shares exchanged for cash as a result of the exercise of his or her dissenters' rights were held as a capital asset at the Effective Time.

THE FOREGOING IS INTENDED TO BE ONLY A SUMMARY OF CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF EACH REORGANIZATION AND SHOULD NOT BE CONSIDERED TO BE TAX ADVICE. THERE CAN BE NO ASSURANCE THAT THE INTERNAL REVENUE SERVICE WILL CONCUR ON ALL OR ANY OF THE ISSUES DISCUSSED ABOVE. FUND SHAREHOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISERS REGARDING THE FEDERAL, STATE, LOCAL AND FOREIGN TAX CONSEQUENCES WITH RESPECT TO THE FOREGOING MATTERS AND ANY OTHER CONSIDERATIONS WHICH MAY BE APPLICABLE.

VOTES REQUIRED

Consummation of each Reorganization is subject to approval of the Agreement by the common and preferred shareholders of each Fund. Adoption of this proposal requires the affirmative vote of the holders of at least a majority of the outstanding common shares and shares of MuniPreferred of that Fund entitled to vote on the proposal, voting together as a single class.

Preferred shareholders of each Fund are being asked to approve the Agreement as a "plan of reorganization" under the 1940 Act. Section 18(a)(2)(D) of the 1940 Act provides that the terms of preferred shares issued by a registered closed-end investment company must contain provisions requiring approval by the vote of a majority of such shares, voting as a class, of any plan of reorganization adversely affecting such shares. The 1940 Act makes no distinction between a plan of

23

reorganization that has an adverse effect as opposed to a materially adverse effect. While the respective Boards do not believe that the holders of shares of MuniPreferred of either Fund would be materially adversely affected by the Reorganization, it is possible that there may be insignificant adverse effects. Each Fund is seeking approval of the Agreement by the holders of shares of each series of that Fund's MuniPreferred, each such series voting separately as a class. Such approval requires the affirmative vote of the holders of at least a majority of the outstanding shares of that Fund's MuniPreferred entitled to vote on the proposal, each such series voting separately as a class. Preferred shareholders of each Fund are also being asked to approve the Agreement pursuant to Minnesota law. Such approval requires the affirmative vote of the holders of at least a majority of the outstanding shares of the Fund MuniPreferred entitled to vote on the proposal, each such series voting separately as a class.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE AGREEMENT AND PLAN OF REORGANIZATION.

APPOINTMENT OF INDEPENDENT AUDITORS

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

Each Board has appointed Ernst & Young LLP, independent public accountants, as independent auditors to audit the books and records of each Fund for its fiscal year. A representative of Ernst & Young LLP will be present at the meeting to make a statement, if such representative so desires, and to respond to shareholders' questions. Ernst & Young LLP has informed each Fund that it has no direct or indirect material financial interest in the Fund, Nuveen, the Adviser or any other investment company sponsored by Nuveen.

SECTION 16(A) BENEFICIAL INTEREST REPORTING COMPLIANCE

Section 30(h) of the Investment Company Act of 1940, as amended (the "1940 Act") and Section 16(a) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), require Board Members and officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Funds' equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based on a review of these forms furnished to each Fund, each Fund believes that the Fund's Board Members and officers, investment adviser and affiliated persons of the investment adviser have complied with all applicable Section 16(a) filing requirements during its last fiscal year. To the knowledge of management of the Funds, no shareholder of a Fund owns more than 10% of a registered class of a Fund's equity securities.

INFORMATION ABOUT THE ADVISER

The Adviser, located at 333 West Wacker Drive, Chicago, Illinois, serves as investment adviser and manager for each Fund. The Adviser is a wholly owned subsidiary of Nuveen Investments, Inc., 333 West Wacker Drive, Chicago, Illinois 60606. Nuveen Investments, Inc., is approximately 79% owned by The St. Paul Companies, Inc. ("St. Paul"). St. Paul is located at 385 Washington Street, St. Paul, Minnesota 55102, and is principally engaged in providing property-liability insurance through subsidiaries.

SHAREHOLDER PROPOSALS

To be considered for presentation at the Annual Meeting of shareholders of any of the Funds to be held in 2004, a shareholder proposal submitted pursuant to Rule 14a-8 of the 1934 Act must be received at the offices of that Fund, 333 West Wacker Drive, Chicago, Illinois 60606, not later than , 2004. A shareholder wishing to provide notice in the manner prescribed by Rule 14a-4(c)(1) of a proposal submitted outside of the process of Rule 14a-8 must submit such written notice to the Fund not later than , 2004. Timely submission of a proposal does not mean that such proposal will be included.

EXPENSES OF PROXY SOLICITATION

The cost of preparing, printing and mailing the enclosed proxy, accompanying notice and proxy statement will be paid by the Funds. All other costs in connection with the solicitation of proxies, will be paid by the Funds pro rata based on the number of shareholder accounts. Additional solicitation may be made by letter, telephone or telegraph by officers or employees of Nuveen or the Adviser, or by dealers and their representatives. The Funds have engaged D.F. King & Co., Inc., to assist in the solicitation of proxies at an estimated cost of \$2,500 per Fund plus reasonable expenses.

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

The last fiscal year end for each Fund was October 31, 2002.

ANNUAL REPORT DELIVERY

Annual reports were sent to shareholders of record of each Fund following each Fund's fiscal year end. Each Fund will furnish, without charge, a copy of its annual report and/or semi-annual report as available upon request. Such written or oral requests should be directed to such Fund at 333 West Wacker Drive, Chicago, Illinois 60606 or by calling 1-800-257-8787.

Please note that only one annual report or proxy statement may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or proxy statement, or, for instructions as to how to request a separate copy of such documents or as to how to request a single copy if multiple copies of such documents are received, shareholders should contact the applicable Fund at the address and phone number set forth above.

GENERAL

Management does not intend to present and does not have reason to believe that any other items of business will be presented at any Annual Meeting. However, if other matters are properly presented to the Annual Meeting for a vote, the proxies will be voted by the persons acting under the proxies upon such matters in accordance with their judgment of the best interests of the Fund.

A list of shareholders entitled to be present and to vote at each Annual Meeting will be available at the offices of the Funds, 333 West Wacker Drive, Chicago, Illinois, for inspection by any shareholder during regular business hours beginning ten days prior to the date of that Annual Meeting.

Failure of a quorum to be present at any Annual Meeting will necessitate adjournment and will subject that Fund to additional expense. The persons named in the enclosed proxy may also move for an adjournment of any Annual Meeting to permit further solicitation of proxies with respect to any of the proposals if they determine that adjournment and further solicitation is reasonable and in the best interests of the shareholders. Under each Fund's By-Laws, an adjournment of a meeting requires the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting.

IF YOU CANNOT BE PRESENT AT THE MEETING, YOU ARE REQUESTED TO FILL IN, SIGN AND RETURN THE ENCLOSED PROXY PROMPTLY. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

APPENDIX B

AGREEMENT AND PLAN OF REORGANIZATION AND LIQUIDATION

AGREEMENT AND PLAN OF REORGANIZATION AND LIQUIDATION ("Agreement") is made as of the day of , 200 by and between (the "Acquiring Fund"), a business trust formed under the laws of the Commonwealth of Massachusetts (the "Target Fund") and , a Minnesota corporation (the "Target Fund") together with the Acquiring Fund, (the "Funds"). Each of the Funds maintains its principal place of business at 333 West Wacker Drive, Chicago, Illinois 60606.

This Agreement is intended to be, and is adopted as, a plan of reorganization (the "Reorganization") pursuant to Section 368(a)(1) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"). The Reorganization will consist of (a) the acquisition by the Acquiring Fund of substantially all of the assets of the Target Fund in exchange solely for common shares, par value \$.01 per share, of the Acquiring Fund ("Acquiring Fund Common Shares"), shares of Municipal Auction Rate Cumulative Preferred Shares, par value \$.01 per share ("MuniPreferred(R)"), of the Acquiring Fund ("Acquiring Fund MuniPreferred" and, collectively with the Acquiring Fund Common Shares, "Acquiring Fund Shares") and the assumption by the Acquiring Fund of substantially all of the liabilities of the Target Fund, and (b) the pro rata distribution, after the Closing Date hereinafter referred to, of such Acquiring Fund Shares to the shareholders of the Target Fund in liquidation and termination of the Target Fund as provided herein, all upon the terms and conditions hereinafter set forth in this Agreement.

In consideration of the premises and of the covenants and agreements set forth

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

herein, the parties covenant and agree as follows:

1. Transfer of Assets of the Target Fund in Exchange for Shares of the Acquiring Fund and Assumption of Liabilities, if Any; Liquidation of the Target Fund.

1.1 The Target Fund agrees to sell, assign, transfer and deliver, as of the close of business on the Closing Date (the "Effective Time"), substantially all of its assets as set forth in paragraph 1.2 to the Acquiring Fund, free and clear of all liens and encumbrances, except as otherwise provided herein, and in exchange therefor the Acquiring Fund agrees (a) to assume substantially all of the liabilities, if any, of the Target Fund, as set forth in paragraph 1.3 and (b) to issue and deliver to the Target Fund, for distribution in accordance with paragraph 1.5 to the Target Fund's shareholders, (i) the number of Acquiring Fund Common Shares equal to the number of Target Fund common shares outstanding as of Closing Date, and (ii) _____ shares of Acquiring Fund MuniPreferred, Series _____. The preferences, voting powers, restrictions, limitations as to dividends, qualifications and terms and conditions of redemption of the Acquiring Fund MuniPreferred, Series _____, shall be identical in all material respects to those of the outstanding shares of Acquiring Fund MuniPreferred, Series _____. Such transactions shall take place at the closing provided for in paragraph 2.1 (the "Closing").

1.2 As of the Effective Time, the Acquiring Fund shall acquire the assets of the Target Fund (consisting without limitation of all cash, cash equivalents, municipal obligations and other portfolio securities, receivables (including interest and dividends receivable) and any deferred or prepaid expenses shown as assets) as set forth in the respective Statement of Net Assets referred to in paragraph 7.3 as of the Closing Date. Notwithstanding the foregoing, the assets to be Target will not include cash to pay shareholders exercising dissenters' rights under Minnesota law. The Target Fund has no plan or intent to sell or otherwise dispose of any of its assets, other than in the ordinary course of business.

1.3 As of the Effective Time, the Acquiring Fund will assume all of the Target Fund's debts, liabilities, obligations and duties of the Target Fund of whatever kind or nature, whether absolute, accrued, contingent or otherwise, arising in the ordinary course of business, whether or not determinable as of the Effective Time and whether or not specifically referred to in this Agreement. Notwithstanding the foregoing, the Acquiring Fund will not assume the Target Fund's obligation to pay certain expenses incurred by the Target Fund in connection with the transactions contemplated by this Agreement or to pay shareholders exercising dissenters' rights to the extent of the cash held for such purpose as contemplated by paragraph 1.2 hereof.

1.4 On or as soon after the Closing Date as is conveniently practicable (the "Liquidation Date"), the Target Fund will distribute in complete liquidation (a) pro rata to its common shareholders of record, determined as of the Effective Time, the Acquiring Fund Common Shares received by the Target Fund pursuant to paragraph 1.1 in exchange for common shares of the Target Fund held by the common shareholders of such Fund and (b) to its preferred shareholders of record, determined as of the Effective Time, the Acquiring Fund MuniPreferred received by the Target Fund pursuant to paragraph 1.1. Such distribution and liquidation will be accomplished by opening accounts on the books of the Acquiring Fund in the names of the shareholders of the Target Fund and transferring to each account (x) in the case of a common shareholder, a number of the Acquiring Fund Common Shares received by the Target Fund

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

equal to the number of common shares of the Target Fund held by such shareholder and (y) in the case of a preferred shareholder, a number of the shares of Acquiring Fund MuniPreferred received by the Target Fund equal to the number of shares of Target Fund MuniPreferred held by such shareholder.

28

1.5 Any reporting responsibility of the Target Fund with the Securities and Exchange Commission (the "SEC"), the NYSE, or any state securities commission is and shall remain the responsibility of the Target Fund up to and including the Liquidation Date.

1.6 All books and records of the Target Fund, including all books and records required to be maintained under the Investment Company Act of 1940, as amended (the "Investment Company Act"), and the rules and regulations thereunder, shall be available to the Acquiring Fund from and after the Closing Date and shall be turned over to the Acquiring Fund on or prior to the Liquidation Date.

1.7 The Target Fund will dissolve, terminate and have its affairs wound up in accordance with Minnesota state law promptly following the Liquidation Date.

2. Closing and Closing Date

2.1 The Closing Date shall be such date as the Boards of each Fund may agree. All acts taking place at the Closing shall be deemed to take place simultaneously as of the Effective Time unless otherwise provided. The Closing shall be at the office of the Acquiring Fund or at such other place as the parties may agree.

2.2 The custodian for the Target Fund shall deliver to the Acquiring Fund at the Closing a certificate of an authorized officer stating that (a) the Target Fund's portfolio securities, cash and any other assets have been transferred in proper form to the Acquiring Fund on the Closing Date and (b) all necessary taxes, if any, have been paid, or provision for payment has been made, in conjunction with the delivery of portfolio securities.

2.3 The Target Fund shall deliver to the Acquiring Fund on or prior to the Liquidation Date a list of the names and addresses of its shareholders and the number of outstanding shares of the Target Fund owned by each such shareholder (the "Shareholder Lists"), all as of the Effective Time, certified by the Secretary or Assistant Secretary of the Target Fund. The Acquiring Fund shall issue and deliver to the Target Fund at the Closing a confirmation or other evidence satisfactory to the Target Fund that Acquiring Fund Shares have been or will be credited to the Target Fund's account on the books of the Acquiring Fund. At the Closing each party shall deliver to the other such bills of sale, checks, assignments, stock certificates, receipts and other documents as such other party or its counsel may reasonably request to effect the transactions contemplated by this Agreement.

3. Representations and Warranties

3.1 The Target Fund represents and warrants as follows:

3.1.1 The Target Fund is duly organized, validly existing and in good standing under the laws of the State of Minnesota and has the power to own all of its properties and assets and, subject to

Edgar Filing: NUVEEN MUNICIPAL VALUE FUND INC - Form PRE 14A

approval of the shareholders of the Target Fund, to carry out the Agreement.

3.1.2 The Target Fund is a closed-end diversified management investment company duly registered under the Investment Company Act, and such registration is in full force and effect.

3.1.3 The Target Fund is not, and the execution, delivery and performance of this Agreement will not result, in violation of any provision of the Articles of Incorporation or By-Laws of the Target Fund or of any material agreement, indenture, instrument, contract, lease or other undertaking to which the Target Fund is a party or by which the Target Fund is bound.

3.1.4 The Target Fund has no material contracts or other commitments (except this Agreement and the obligations to pay the dividends and/or distributions contemplated by paragraph 1.4) that will not be terminated on or prior to the Closing Date without any liability or penalty to the Target Fund or the Acquiring Fund.

For the purposes of this paragraph 4.1.7, a decline in net asset value or net asset value per common share of the Target Fund as a result of changes in the value of investments held by the Target Fund or a distribution or payment of dividends shall not constitute a materially adverse change.

3.1.8 All federal, state and other tax returns and reports of the Target Fund required by law to have been filed or furnished by the date hereof have been filed or furnished, and all federal, state and other taxes, interest and penalties required to be paid (whether or not a return or report is required) have been paid insofar as due,
