ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On February 28, 2005, our Company, Exchange National Bancshares, Inc., announced that it had entered into an agreement to acquire Bank 10, a Missouri

state bank with offices in the Missouri communities of Belton, Drexel, Harrisonville, Independence and Raymore. The press release that our Company used to announce the execution of the agreement to acquire Bank 10 is attached to this report as Exhibit 99.1 and is incorporated herein by reference. The terms and conditions of the proposed acquisition are provided in an Acquisition Agreement dated January 28, 2005 among our Company, Drexel Bancshares, Inc., the sole shareholder of Bank 10, and certain other persons and entities, which Acquisition Agreement is amended by an Agreement Altering Transaction Structure dated February 28, 2005 between our Company, Drexel and the representative for the Drexel shareholders. A copy of the Acquisition Agreement is attached to this report as Exhibit 2.1 and is incorporated herein by reference. A copy of the Agreement Altering Transaction Structure is attached to this report as Exhibit 2.1.1 and is incorporated herein by reference. The description of the Acquisition Agreement, as amended by an Agreement Altering Transaction Structure, contained in this report is qualified in its entirety by reference to the full text of the Acquisition Agreement and the Agreement Altering Transaction Structure.

As contemplated by the Acquisition Agreement, the proposed acquisition initially was structured as a merger of Drexel into a wholly-owned subsidiary of our Company that was formed for the purpose of effecting the acquisition. After giving effect to this merger, Bank 10 would be the wholly-owned subsidiary of the surviving corporation of the merger which in turn would be the wholly-owned subsidiary of our Company. By entering into the Agreement Altering Transaction Structure, the structure of the proposed acquisition was changed to one in which our Company would purchase all of the outstanding shares of Bank 10's common stock from Drexel. The purchase price payable to Drexel for Bank 10 would be cash aggregating \$32,862,000, plus (or minus) any amount by which the book value of Bank 10 as of the business day preceding the closing date is greater (or less) than \$13,144,800, subject to further adjustments to eliminate any unrealized gain or loss in Bank 10's investment portfolio and to cause Bank 10's reserve for loan losses to be at least 1.1% of the amount of its outstanding loans. Consummation of the proposed acquisition is subject to the receipt of all requisite regulatory approvals and to the satisfaction of customary closing conditions.

Statements made in this report, including the exhibits hereto, that suggest our Company's or our management's intentions, hopes, beliefs, expectations, or predictions of the future constitute "forward-looking statements" within the meaning of Section 21E of the Securities and Exchange Act of 1934, as amended, and include statements concerning the expected consummation of our acquisition of Bank 10 and statements suggesting that the acquisition would be accretive to our earnings per share. It is important to note that actual results could differ materially from those projected in such forward-looking statements. Factors that may cause actual results to differ materially from those contemplated by such forward looking statements include, among other things, the following possibilities: (i) revenues following the acquisition may be lower than expected; (ii) competitive pressure among depository institutions may increase significantly; (iii) costs related to the integration of Bank 10 may be greater than expected; (iv) changes in the interest rate environment may reduce interest margins; and (v) general economic conditions, either nationally or in our market, may be less favorable than expected. Additional information concerning factors that could cause actual results to differ materially from those projected in such forward-looking statements is contained from time to time in Exchange's quarterly and annual reports filed with the Securities and Exchange Commission.
