- Engine Control and Electrical Power Systems, including:

Table of Contents

- Engine Control Systems (formerly part of Engine Systems)
- Power Systems
- Intelligence, Surveillance and Reconnaissance Systems (formerly called Optical and Space Systems)

In addition to the changes to the segments described above, for future reporting periods and for prior periods which have been reclassified as a result, the Company has decided to reallocate the customer services business to the business that manufactured the product or system. Also, for future reporting periods and for prior periods which have been reclassified as a result, the Company has decided to reclassify and report within corporate administrative expense ERP implementation costs that are not directly associated with a specific business.

Attached as Exhibit 99.1 to this Current Report on Form 8-K are the Company's unaudited financial schedules which provide reclassified information about this reorganization and other changes as they relate to prior periods.

Item 9.01. Financial Statements and Exhibits.
