The Company's annual report on Form 10-K for the year ended December 30, 2006 cannot be filed by the prescribed due date.

As previously announced in its Form 8-K, on March 30, 2007, the Company determined that the financial statements for the years ended 2004 and 2005 should be restated to correct the Company's errors in recognition of deferred tax liability and of tax benefits for deductible temporary differences and net operating loss carryforwards from the July 2002 acquisition of Helix Hearing Care of America Corp. The errors were discovered as the Company was finalizing its financial statements for the year ended December 30, 2006. In order to restate the previously issued financial statements for 2004 and 2005, the Form 10-K for the fiscal year ended December 30, 2006 could not be finalized and filed by the due date of March 30, 2007.

Management is completing its work to finalize the restated 2004 and 2005 financial statements as well as the 2006 financial statements and the Company's independent registered public accountants are finalizing their audit. All required reporting will be finalized and filed as soon as that work is completed.
