**Independent Auditors Report**

The Jefferson Heritage Bank  
401(k) Savings Plan Committee:

We have audited the statements of assets available for plan benefits of the Jefferson Savings and Loan Association 401(k) Savings Plan (the Plan) as of December 31, 2001 and 2000, and the related statements of changes in assets available for plan benefits for the years then ended. These financial statements are the responsibility of the Plan Administrator. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Plan Administrator, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion. In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for plan benefits of the Plan as of December 31, 2001 and 2000, and the changes in assets available for plan benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information included in schedule 1 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**(2) Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

**(a) Basis of Presentation**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting, with the exception of benefits which are recorded when paid, and present the net assets available for plan benefits and changes in those net assets.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts in the financial statements and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(b) Investments**

The Plan's investments are stated at fair value. Union Planters Corporation (Union Planters) stock is valued at its quoted market price. Collective trust funds are valued at the net asset value of units held by the Plan at year end provided by U.S. Bank, N.A., the administrator of the Mercantile Guaranteed Investment Contract Collective Trust Fund. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Participant notes receivable are valued at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**(c) Administrative Expenses**

Expenses incurred by the Trustee and the Plan's management in the administration of the Plan are paid by the Bank and from plan assets.

Certain plan investments are units of collective trust funds administered by U.S. Bank, N.A. and shares of mutual funds managed by U.S. Bank, N.A. U.S. Bank, N.A. is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest.

(Continued)

**(5) Plan Termination**

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**(6) Federal Income Taxes**

The Internal Revenue Service has determined and informed the Bank by a letter dated April 26, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

**(7) Agreement and Plan of Reorganization with Union Planters**

On September 30, 2000, Jefferson Savings Bancorp, Inc. (Jefferson Savings) entered into an Agreement and Plan of Reorganization (the Merger Agreement) with Union Planters. Union Planters is the holding company for Union Planters Bank, National Association which is headquartered in Tennessee and operates in 11 other states. Union Planters' common stock is traded on the New York Stock Exchange under the symbol UPC. The Merger Agreement, approved by stockholders and regulatory agencies, merged Jefferson Savings, of which the Bank is a wholly owned subsidiary, into a wholly owned subsidiary of Union Planters with each share of Jefferson Savings' common stock being converted into 0.433 shares of Union Planters common stock. The merger with Union Planters closed on February 12, 2001. As a result of the Merger Agreement with Union Planters, the Bank intends to merge the Plan into the Union Planters Corporation 401(k) Retirement Savings Plan during the third quarter of 2002.
