Walgreen Co.
Summary Financial Data

We acquired the WG Brainerd Property, which is an approximately 15,076 square foot single-tenant retail building, on October 6, 2005. The WG Brainerd Property was constructed in 2000 on an approximately 2.07 acre site in Brainerd, Minnesota. The WG Brainerd Property is 100% leased to Walgreen Co. (Walgreens) subject to a net lease pursuant to which the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The purchase price of the WG Brainerd Property was approximately \$4.3 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company s ongoing public offering and an approximately \$3.5 million loan from Wachovia Bank, National Association (the Lender) secured by the WG Brainerd Property (the WG Brainerd Loan).

The WG Brainerd Loan consists of an approximately \$2.8 million fixed interest rate tranche (the Fixed Rate Tranche) and a \$649,000 variable interest rate tranche (the Variable Rate Tranche). The Fixed Rate Tranche has a fixed interest rate of 5.44% per annum with monthly interest only payments and the outstanding principal and interest due on October 11, 2015. The Variable Rate Tranche has a variable interest rate based on the one-month LIBOR rate plus 200 basis points with monthly interest-only payments and the outstanding principal and interest due on January 4, 2006.

In evaluating the WG Brainerd Property as a potential acquisition and determining the appropriate amount of consideration to be paid for our interest in the WG Brainerd Property, a variety of factors were considered, including our consideration of a property condition report; unit-level store performance; property location, visibility and access; age of the property, physical condition and curb appeal; neighboring property uses; local market conditions, including vacancy rates; area demographics, including trade area population and average household income; neighborhood growth patterns and economic conditions; and the presence of demand generators.

Walgreens has over 4,900 stores in 45 states and Puerto Rico. Walgreens has a Standard & Poor s credit rating of A+ and the company s stock is publicly traded on the New York Stock Exchange under the ticker symbol WAG .

Walgreens is subject to the filing requirements of the Securities Exchange Act of 1934, as amended.

Because the WG Brainerd Property is leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that the financial condition and results of operations of the lessee, Walgreens, are more relevant to investors than the financial statements of the property acquired. As a result, pursuant to guidance provided by the Securities and Exchange Commission (SEC), we have not provided audited financial statements of the property acquired.

Walgreens currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Walgreens has been taken from its previously filed public reports:
