ITEM 5. OTHER EVENTS

On November 11, 2003 Mercury Air Group, Inc. (the Company) announced that it had informed the American Stock Exchange (the Exchange) that the Company required additional time to file its Annual Report on Form 10-K for the period ended June 30, 2003 with the Securities and Exchange Commission. Following the Company's notice to the Exchange, the Company received a letter from the Exchange notifying the Company that it was not in compliance with the Exchange's filing requirements and requested the Company provide a detailed plan of resolution of the issues preventing the filing of its annual report including a new projected completion date. The Company is currently developing its response to the Exchange and plans to submit a response by November 18, 2003, at which time the Company will provide relevant information to its shareholders. The Exchange has advised the Company that it will not suspend trading of its stock if it receives the detailed plan by November 18, 2003 and if the plan meets the Exchange's requirements. The Company cannot assure that its detailed plan will meet with the Exchange's approval.

The Company also advises that as a result of its delay to file its Annual Report on Form 10-K the Company does not expect to meet the SEC filing deadline of its Quarterly Report on Form 10-Q for the period ended September 30, 2003 due on November 14, 2003. The Company intends to release the financial information associated with its first quarter of fiscal 2004 as soon as possible, pending resolution of the issues causing the delay in the filing of its annual report.

The press release is incorporated herein to this Form 8-K by reference and a copy of the press release is attached hereto as Exhibit 99.1.

The information contained in this Form 8-K (including Exhibit 99.1) shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise be subject to the liabilities of that section.
