ITEM 3.01. NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING

On January 27, 2009, Sparton Corporation, an Ohio corporation (the Company), received written notice from NYSE Regulation, Inc. (NYSE Regulation) that the minimum market capitalization continued listing standard set forth in Section 802.01B of the New York Stock Exchange (the NYSE) Listed Company Manual had been revised from \$25 million to \$15 million effective for a period of 90 days from January 22, 2009 to April 22, 2009 (the Notice). As the Company previously reported in a Current Report on Form 8-K filed with the Securities and Exchange Commission on

November 7, 2008, the Company received a notice from NYSE Regulation on November 6, 2008 that the Company did not then comply with the \$25 million minimum market capitalization standard. The Company now meets the revised minimum market capitalization standard and NYSE Regulation advised the Company that it will continue to trade on the NYSE during the effective period. NYSE Regulation noted, however, that it may, at any time, suspend a security if it believes that continued dealings in the security on the NYSE are not advisable

As the Company previously reported in a Current Report on Form 8-K filed with the Securities and Exchange Commission on October 3, 2008, the Company received a notice from NYSE Regulation on September 29, 2008 that the Company did not then comply with the continued listing standard set forth in Section 802.01B of the NYSE Listed Company Manual because the Company's market capitalization was less than \$75 million over a 30 trading-day period and, at the same time, its shareowners' equity was less than \$75 million. In the Notice, NYSE Regulation also required the Company to file by February 13, 2009 a written plan to achieve compliance with this continued listing standard (the Plan). The Plan must demonstrate the Company's ability to achieve compliance with this continued listing standard within 18 months from the date of the notice.

The Company issued a Press Release on January 27, 2009 announcing that it had received the Notice.
