PROSPECTUS SUMMARY

Our Company

We are a bank holding company registered under the Bank Holding Company Act of 1956, as amended, and our principal subsidiary is Citizens & Northern Bank (C&N Bank). C&N Bank is a Pennsylvania banking institution that was formed by the consolidation of Northern National Bank of Wellsboro and Citizens National Bank of Towanda on October 1, 1971. At December 31, 2008, C&N Bank had 24 banking offices in 7 counties in north-central Pennsylvania. In addition, First State Bank, Canisteo, N.Y., a wholly-owned subsidiary of Canisteo Valley Corporation, a bank holding company and itself a wholly-owned subsidiary of Citizens & Northern, has 2 offices located in Steuben County, New York. We also conduct business through the following:

Citizens & Northern Investment Corporation, which engages in investment activities;

Bucktail Life Insurance Company, which reinsures credit and mortgage life and accident and health insurance on behalf of C&N Bank; and

C&N Financial Services Corporation, a wholly-owned subsidiary of C&N Bank, which provides securities brokerage and annuities.

We and our subsidiaries offer a full array of deposit accounts and retail banking services, engage in consumer and commercial lending and provide a wide variety of trust and asset management services, as well as securities and annuity products.

As a bank holding company, we are a legal entity separate and distinct from our subsidiaries, including C&N Bank. Citizens & Northern coordinates the financial resources of the consolidated enterprise through financial, operational and administrative systems and coordination of various policies and activities. Citizens & Northern's operating revenues and net income are derived primarily from C&N Bank through the payment of dividends.

Our principal executive offices are located at 90-92 Main Street, Wellsboro, Pennsylvania 16901, and our telephone number at that address is (570) 724-3411. We maintain an Internet website at www.cnbankpa.com. We are not incorporating the information on our website into this prospectus, and neither this website nor the information on this website is included or incorporated in, or is a part of, this prospectus.

Securities Being Offered

On January 16, 2009, pursuant to the Troubled Asset Relief Program (TARP) Capital Purchase Program of Treasury, we sold to Treasury 26,440 shares of our Series A Preferred Stock, liquidation preference amount \$1,000 per share, for an aggregate purchase price of \$26.44 million, and concurrently issued to Treasury the ten-year Warrant to purchase up to 194,794 shares of our common stock at an exercise price of \$20.36 per share. The issuance of the Series A Preferred Stock and the Warrant were completed in a private placement to Treasury exempt from the registration requirements of the Securities Act of 1933. We were required under the terms of the related Purchase Agreement between us and Treasury to register for resale the shares of the Series A Preferred Stock, the Warrant and the shares of our common stock underlying the Warrant. This registration includes depositary shares, representing fractional interests in the Series A Preferred Stock, which may be resold pursuant to this prospectus in lieu of whole shares of Series A Preferred Stock in the event Treasury requests that we deposit the Series A Preferred Stock held by Treasury with a depositary under a depositary arrangement entered into in accordance with the Purchase Agreement. See Description of Depositary Shares. The terms of the Series A Preferred Stock, the Warrant and our common stock are described under Description of Series A Preferred Stock, Description of Warrant, and Description of Common Stock .

RISK FACTORS

Before you invest in our securities, in addition to the risk factors set forth below and other information, documents or reports included or incorporated by reference in this prospectus and, if applicable, any prospectus supplement or other offering materials, you should carefully consider the risk factors in the section entitled Risk Factors in any prospectus supplement, as well as our most recent Annual Report on Form 10-K, and in any of our subsequent reports that we have made or will make with the SEC under the Exchange Act, which are incorporated by reference into this prospectus and any prospectus supplement in their entirety, as the same may be amended,

supplemented or superseded from time to time by other reports we file with the SEC in the future. Each of the risks described in these sections and documents could materially and adversely affect our business, financial condition, results of operations and prospects, and could result in a partial or complete loss of your investment.

Table of Contents

Risks Related to Our Business

Because of our participation in Treasury's Capital Purchase Program, we are subject to several restrictions including restrictions on our ability to declare or pay dividends and repurchase our shares as well as restrictions on our executive compensation.

On January 16, 2009, pursuant to the Purchase Agreement, the Company issued to Treasury for aggregate consideration of \$26,440,000 (i) 26,440 shares of the Series A Preferred Stock, par value \$1,000 per share and liquidation preference \$1,000 per share and (ii) the Warrant to purchase 194,794 shares of the Company's common stock, par value \$1.00 per share. Pursuant to the terms of the Purchase Agreement, our ability to declare or pay dividends on any of our shares is limited. Specifically, we are unable to declare dividend payments on common, junior preferred or *pari passu* preferred shares if we are in arrears on the dividends on the Series A Preferred Stock. Further, we are not permitted to increase dividends on our common stock above the amount of the last quarterly cash dividend per share declared prior to January 16, 2009 without Treasury's approval until the third anniversary of the investment unless all of the Series A Preferred Stock has been redeemed or transferred by Treasury. In addition, our ability to repurchase our shares is restricted. Treasury consent generally is required for us to make any stock repurchase until the third anniversary of the investment by Treasury unless all of the Series A Preferred Stock has been redeemed or transferred by Treasury to a third party. Further, common, junior preferred or *pari passu* preferred shares may not be repurchased if we are in arrears on the Series A Preferred Stock dividends.

In addition, pursuant to the terms of the Purchase Agreement, we adopted Treasury's standards for executive compensation and corporate governance for the period during which Treasury holds the equity issued pursuant to the Purchase Agreement, including the common stock which may be issued pursuant to the Warrant, which period could be more than ten (10) years. These standards generally apply to our Chief Executive Officer, Chief Financial Officer and the three next most highly compensated senior executive officers. The standards include (1) ensuring that incentive compensation for senior executives does not encourage unnecessary and excessive risks that threaten the value of the financial institution; (2) required clawback of any bonus or incentive compensation paid to a senior executive based on statements of earnings, gains or other criteria that are later proven to be materially inaccurate; (3) prohibition on making golden parachute payments to senior executives; and (4) agreement not to deduct for tax purposes executive compensation in excess of \$500,000 for each senior executive. Although it does not currently affect us, the change to the deductibility limit on executive compensation may increase the overall cost of our compensation programs in future periods.

Risk Related to the Series A Preferred Stock

The Series A Preferred Stock is equity and is subordinate to all of our existing and future indebtedness; regulatory and contractual restrictions may limit or prevent us from paying dividends on the Series A Preferred Stock; and the Series A Preferred Stock places no limitations on the amount of indebtedness we and our subsidiaries may incur in the future.

Shares of the Series A Preferred Stock are equity interests in Citizens & Northern and do not constitute indebtedness. As such, the Series A Preferred Stock, like our common stock, ranks junior to all indebtedness and other non-equity claims on Citizens & Northern with respect to assets available to satisfy claims on Citizens & Northern, including in a liquidation of Citizens & Northern. Additionally, unlike indebtedness, where principal and interest would customarily be payable on specified due dates, in the case of preferred stock like the Series A Preferred Stock, (1) dividends are payable only when, as and if authorized and declared by, our board of directors and depend on, among other things, our results of operations, financial condition, debt service requirements, other cash needs and any other factors our board of directors deems relevant, and (2) as a Pennsylvania corporation, under Pennsylvania law we are subject to restrictions on payments of dividends out of funds legally available therefore.

Citizens & Northern is an entity separate and distinct from our principal subsidiary, C&N Bank, and derives substantially all of its revenue in the form of dividends from that subsidiary. Accordingly, Citizens & Northern is and will be dependent upon dividends from C&N Bank to pay the principal of and interest on its indebtedness, to satisfy its other cash needs and to pay dividends on the Series A Preferred Stock and its common stock. C&N Bank's ability to pay dividends is subject to its ability to earn net income and to meet certain regulatory requirements while maintaining its required capital. In the event C&N Bank is unable to pay dividends to Citizens & Northern, Citizens & Northern

may not be able to pay dividends on the Series A Preferred Stock. Also, Citizens & Northern's right to participate in a distribution of assets upon a subsidiary's liquidation or reorganization is subject to the prior claims of the subsidiary's creditors including the preferred claims of C&N Bank's depositors.

- 2 -

Table of Contents

In addition, the Series A Preferred Stock does not limit the amount of debt or other obligations we or our subsidiaries may incur in the future. Accordingly, we and our subsidiaries may incur substantial amounts of additional debt and other obligations that will rank senior to the Series A Preferred Stock or to which the Series A Preferred Stock will be structurally subordinated.

An active trading market for the Series A Preferred Stock may not develop.

The Series A Preferred Stock is not currently listed on any securities exchange and we do not anticipate listing the Series A Preferred Stock on an exchange unless we are requested to do so by Treasury pursuant to the Purchase Agreement between us and Treasury. There can be no assurance that an active trading market for the Series A Preferred Stock will develop, or, if developed, that an active trading market will be maintained. If an active market is not developed or sustained, the market value and liquidity of the Series A Preferred Stock may be adversely affected.

The Series A Preferred Stock may be junior in rights and preferences to our future preferred stock.

Subject to approval by the holders of at least 66 2/3% of the shares of Series A Preferred Stock then outstanding, voting together as a separate class, we may issue preferred stock in the future the terms of which are expressly senior to the Series A Preferred Stock. The terms of any such future preferred stock expressly senior to the Series A Preferred Stock may restrict dividend payments on the Series A Preferred Stock. For example, the terms of any such senior preferred stock may provide that, unless full dividends for all of our outstanding preferred stock senior to the Series A Preferred Stock have been paid for the relevant periods, no dividends will be paid on the Series A Preferred Stock, and no shares of the Series A Preferred Stock may be repurchased, redeemed, or otherwise acquired by us. This could result in dividends on the Series A Preferred Stock not being paid when contemplated. In addition, in the event of our liquidation, dissolution or winding-up, the terms of the senior preferred stock may prohibit us from making payments on the Series A Preferred Stock until all amounts due to holders of the senior preferred stock in such circumstances are paid in full. Notwithstanding the foregoing, our articles of incorporation presently do not authorize the issuance of preferred stock that is senior to the Series A Preferred Stock.

Holders of the Series A Preferred Stock have limited voting rights.

Unless and until we are in arrears on our dividend payments on the Series A Preferred Stock for six dividend periods, whether or not consecutive, the holders of the Series A Preferred Stock will have no voting rights except with respect to certain fundamental changes in the terms of the Series A Preferred Stock and certain other matters and except as may be required by Pennsylvania law. If dividends on the Preferred Stock are not paid in full for six dividend periods, whether or not consecutive, the total number of positions on the Citizens & Northern board of directors will automatically increase by two and the holders of the Series A Preferred Stock, acting as a class with any other shares of our preferred stock with parity voting rights to Series A Preferred Stock, will have the right to elect two individuals to serve in the new director positions. This right and the terms of such directors will end when we have paid in full all accrued and unpaid dividends for all past dividend periods. See Description of Series A Preferred Stock Voting Rights. Based on the current number of members of the Citizens & Northern board of directors, directors elected by the holders of the common stock would have a controlling majority of the board and would be able to take any action approved by them notwithstanding any objection by the directors elected by the holders of the Series A Preferred Stock.

If we are unable to redeem the Series A Preferred Stock after five years, the cost of this capital to us will increase substantially.

If we are unable to redeem the Series A Preferred Stock prior to February 15, 2014, the cost of this capital to us will increase substantially on that date, from 5.0% per annum to 9.0% per annum. See Description of Series A Preferred Stock Redemption and Repurchases. Depending on our financial condition at the time, this increase in the annual dividend rate on the Series A Preferred Stock could have a material negative effect on our liquidity.

Table of Contents

Risks Related to Our Common Stock

We may issue additional shares of common or preferred stock, which may dilute the ownership and voting power of our shareholders and the book value of our common stock.

We are currently authorized to issue up to 20,000,000 shares of common stock of which 8,940,928 shares were outstanding as of February 7, 2009, and up to 30,000 shares of preferred stock of which 26,440 shares were outstanding as of February 7, 2009. Our board of directors has authority, without action or vote of the shareholders of common stock, to issue all or part of the authorized but unissued shares. These authorized but unissued shares could be issued on terms or in circumstances that could dilute the interests of other stockholders.

Provisions of our Articles of Incorporation could deter takeovers.

Our articles of incorporation contain certain provisions that make it more difficult to acquire control of us by means of a tender offer, open market purchase, a proxy fight or otherwise. As a result, our board of directors may decide not to pursue transactions that would otherwise be in your best interests as a holder of our common stock. See Anti-takeover Effects of Certain Articles of Incorporation Provisions.

There are restrictions on our ability to pay cash dividends.

Although we have historically paid cash dividends, there is no assurance that we will continue to pay cash dividends. Future payment of cash dividends, if any, will be at the discretion of our board of directors and will be dependent upon our financial condition, results of operations, capital requirements and such other factors as the board may deem relevant and will be subject to applicable federal and state laws that impose restrictions on our and our subsidiaries ability to pay dividends.

The Purchase Agreement between us and Treasury limits our ability to pay dividends on and repurchase our common stock.

The Purchase Agreement between us and Treasury provides that prior to the earlier of (i) January 16, 2012; and (ii) the date on which all of the shares of the Series A Preferred Stock have been redeemed by us or transferred by Treasury to third parties, we may not, without the consent of Treasury, (a) increase the cash dividend on our common stock above that last declared prior to January 16, 2009; or (b) subject to limited exceptions, redeem, repurchase or otherwise acquire shares of our common stock or preferred stock other than the Series A Preferred Stock. In addition, we are unable to pay any dividends on our common stock unless we are current in our dividend payments on the Series A Preferred Stock. These restrictions could have a negative effect on the value of our common stock. Moreover, holders of our common stock are entitled to receive dividends only when, as and if declared by our board of directors. Although we have historically paid cash dividends on our common stock, we are not required to do so and our board of directors could reduce or eliminate our common stock dividend in the future.

The Series A Preferred Stock reduces the net income available to our common stockholders and earnings per common share, and the Warrant we issued to Treasury may be dilutive to holders of our common stock.

The dividends declared and the accretion or discount on the Series A Preferred Stock will reduce the net income available to common stockholders and our earnings per common share. The Series A Preferred Stock will also receive preferential treatment in the event of liquidation, dissolution or winding up of Citizens & Northern. Additionally, the ownership interest of the existing holders of our common stock will be diluted to the extent the Warrant we issued to Treasury in conjunction with the sale to Treasury of the Series A Preferred Stock is exercised. The shares of common stock underlying the Warrant represent approximately 2.13% of the shares of our common stock outstanding as of February 7, 2009 (including the shares issuable upon exercise of the Warrant in total shares outstanding). Although Treasury has agreed not to vote any of the shares of common stock it receives upon exercise of the Warrant, a transferee of any portion of the Warrant or of any shares of common stock acquired upon exercise of the Warrant is not bound by this restriction.

Table of Contents**RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERENCE DIVIDENDS**

No shares of our Series A Preferred Stock, or any other class of preferred stock, were outstanding during the years ended December 31, 2007, 2006, 2005, 2004, and 2003, or during the nine months ended September 30, 2008 and 2007, and we did not pay preferred stock dividends during these periods. Consequently, the ratios of earnings to fixed charges and preferred dividends are the same as the ratios of earnings to fixed charges for the same periods listed above. The ratios of earnings to fixed charges for the years ended December 31, 2007, 2006, 2005, 2004, and 2003, and the nine months ended September 30, 2008 and 2007, are as follows

	Nine Months Ended		2007	Years Ended December 31			
	September 30			2006	2005	2004	2003
	2008	2007					
Ratio of Earnings to Combined Fixed Charges and Preferred Stock Dividends:							
Excluding interest on deposits	2.1x	2.4x	2.4x	2.6x	2.6x	2.8x	3.2x
Including interest on deposits	1.4x	1.4x	1.4x	1.5x	1.6x	1.8x	1.8x

For the purpose of computing the ratios of earnings to combined fixed charges and preference dividends, earnings consist of consolidated income from continuing operations before provision for income taxes, minority interest and fixed charges, and combined fixed charges consist of interest expense, amortization of debt issuance costs, and the portion of rental expense deemed to represent interest. Fixed charges exclude interest on uncertain tax positions which is classified with the provision for income taxes in the consolidated financial statements.

USE OF PROCEEDS

We will not receive any proceeds from any sale of the securities by the selling securityholders.

DETERMINATION OF OFFERING PRICE

This offering is being made to allow the selling securityholders to offer and sell to the public the shares of our Series A Preferred Stock, the Warrant and to the extent the selling securityholders exercise the Warrant, the shares of common stock issued pursuant thereto. The selling securityholders may offer for resale some or all of these securities at the time and price that they choose. Consequently, we cannot currently make a determination of the price at which the securities being registered on behalf of the selling securityholders will be resold.

DESCRIPTION OF SERIES A PREFERRED STOCK

This section summarizes specific terms and provisions of the Series A Preferred Stock. The description of the Series A Preferred Stock contained in this section is qualified in its entirety by the actual terms of the Series A Preferred Stock, as are stated in the Certificate of Designations of Fixed Rate Cumulative Perpetual Preferred Stock, Series A, a copy of which was attached as Exhibit 3.1 to our Current Report on Form 8-K filed with the SEC on January 22, 2009, and incorporated by reference into this prospectus. See [Where You Can Find More Information](#).

General

The Series A Preferred Stock constitutes a series of our perpetual, cumulative, preferred stock, consisting of 26,440 shares, par value \$1,000 per share, having a liquidation preference amount of \$1,000 per share. The Series A Preferred Stock has no maturity date. We issued the shares of Series A Preferred Stock and Warrant to Treasury on January 16, 2009 in connection with the TARP Capital Purchase Program for an aggregate purchase price of \$26.44 million. Pursuant to the Purchase Agreement between us and Treasury, we have agreed, if requested by Treasury, to enter into a depositary arrangement pursuant to which the shares of Series A Preferred Stock may be deposited and depositary shares, each representing a fraction of a share of Series A Preferred Stock as specified by Treasury, may be issued. See [Description of Depositary Shares](#). The Series A Preferred Stock and Warrant qualify as

Tier 1 capital for regulatory purposes.

Table of Contents**Dividends**

Rate. Dividends on the Series A Preferred Stock are payable quarterly in arrears, when, as and if authorized and declared by our board of directors out of legally available funds, on a cumulative basis on the \$1,000 per share liquidation preference amount plus the amount of accrued and unpaid dividends for any prior dividend periods, at a rate of (i) 5% per annum, from the original issuance date to but excluding the first day of the first dividend period commencing after the fifth anniversary of the original issuance date (i.e., 5% per annum from January 16, 2009 to but excluding February 15, 2014), and (ii) 9% per annum, from and after the first day of the first dividend period commencing after the fifth anniversary of the original issuance date (i.e., 9% per annum on and after February 15, 2014). Dividends are payable quarterly in arrears on February 15, May 15, August 15 and November 15 of each year, commencing on February 15, 2009. Each dividend will be payable to holders of record as they appear on our stock register on the applicable record date, which will be the 15th calendar day immediately preceding the related dividend payment date (whether or not a business day), or such other record date determined by our board of directors that is not more than 60 nor less than ten days prior to the related dividend payment date. Each period from and including a dividend payment date (or the date of the issuance of the Series A Preferred Stock) to but excluding the following dividend payment date is referred to as a dividend period. Dividends payable for each dividend period are computed on the basis of a 360-day year consisting of twelve 30-day months. If a scheduled dividend payment date falls on a day that is not a business day, the dividend will be paid on the next business day as if it were paid on the scheduled dividend payment date, and no interest or other additional amount will accrue on the dividend. The term business day means any day except Saturday, Sunday and any day on which banking institutions in the State of New York generally are authorized or required by law or other governmental actions to close.

Dividends on the Series A Preferred Stock will be cumulative. If for any reason our board of directors does not declare a dividend on the Series A Preferred Stock for a particular dividend period, or if the board of directors declares less than a full dividend, we will remain obligated to pay the unpaid portion of the dividend for that period and the unpaid dividend will compound on each subsequent dividend date (meaning that dividends for future dividend periods will accrue on any unpaid dividend amounts for prior dividend periods).

We are not obligated to pay holders of the Series A Preferred Stock any dividend in excess of the dividends on the Series A Preferred Stock that are payable as described above. There is no sinking fund with respect to dividends on the Series A Preferred Stock.

Priority of Dividends. So long as the Series A Preferred Stock remains outstanding, we may not declare or pay a dividend or other distribution on our common stock or any other shares of Junior Stock (other than dividends payable solely in common stock) or Parity Stock (other than dividends paid on a pro rata basis with the Series A Preferred Stock), and we generally may not directly or indirectly purchase, redeem or otherwise acquire any shares of common stock, Junior Stock or Parity Stock unless all accrued and unpaid dividends on the Series A Preferred Stock for all past dividend periods are paid in full.

Junior Stock means our common stock and any other class or series of our stock the terms of which expressly provide that it ranks junior to the Series A Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of Citizens & Northern. We currently have no outstanding class or series of stock constituting Junior Stock other than our common stock.

Parity Stock means any class or series of our stock, other than the Series A Preferred Stock, the terms of which do not expressly provide that such class or series will rank senior or junior to the Series A Preferred Stock as to dividend rights and/or as to rights on liquidation, dissolution or winding up of Citizens & Northern, in each case without regard to whether dividends accrue cumulatively or non-cumulatively. We currently have no outstanding class or series of stock constituting Parity Stock.

Liquidation Rights

In the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of Citizens & Northern, holders of the Series A Preferred Stock will be entitled to receive for each share of Series A Preferred Stock, out of the assets of Citizens & Northern or proceeds available for distribution to our stockholders, subject to any rights of our creditors, before any distribution of assets or proceeds is made to or set aside for the holders of our common stock and any other class or series of our stock ranking junior to the Series A Preferred Stock, payment of an amount

equal to the sum of (i)

- 6 -

Table of Contents

the \$1,000 liquidation preference amount per share and (ii) the amount of any accrued and unpaid dividends on the Series A Preferred Stock (including dividends accrued on any unpaid dividends). To the extent the assets or proceeds available for distribution to stockholders are not sufficient to fully pay the liquidation payments owing to the holders of the Series A Preferred Stock and the holders of any other class or series of our stock ranking equally with the Series A Preferred Stock, the holders of the Series A Preferred Stock and such other stock will share ratably in the distribution.

For purposes of the liquidation rights of the Series A Preferred Stock, neither a merger or consolidation of Citizens & Northern with any entity, nor a sale, lease or exchange of all or substantially all of Citizens & Northern's assets, will constitute a liquidation, dissolution or winding up of the affairs of Citizens & Northern.

Redemptions and Repurchases

The Series A Preferred Stock is redeemable at our option, subject to, when applicable in limited circumstances, prior approval by the Board of Governors of the Federal Reserve System or its delegee (the Federal Reserve), in whole or in part at a redemption price equal to 100% of the liquidation preference amount of \$1,000 per share plus any accrued and unpaid dividends to but excluding the date of redemption (including dividends accrued on any unpaid dividends), provided that any declared but unpaid dividend payable on a redemption date that occurs subsequent to the record date for the dividend will be payable to the holder of record of the redeemed shares on the dividend record date, and provided further that the Series A Preferred Stock may be redeemed prior to the first dividend payment date falling after the third anniversary of the original issuance date (i.e., prior to February 15, 2012) only if (i) we have raised aggregate gross proceeds in one or more Qualified Equity Offerings of at least the Minimum Amount and (ii) the aggregate redemption price of the Series A Preferred Stock does not exceed the aggregate net proceeds from such Qualified Equity Offerings by us and any successor. The Minimum Amount means \$6,610,000 plus, in the event we are succeeded in a business combination by another entity which also participated in the TARP Capital Purchase Program, 25% of the aggregate liquidation preference amount of the preferred stock issued by that entity to Treasury. A Qualified Equity Offering is defined as the sale for cash by Citizens & Northern (or its successor) of preferred stock or common stock that qualifies as Tier 1 capital under applicable regulatory capital guidelines.

If we redeem all the outstanding shares of Series A Preferred Stock by December 31, 2009, 50% of the Warrants will be cancelled.

To exercise the redemption right described above, we must give notice of the redemption to the holders of record of the Series A Preferred Stock by first class mail, not less than 30 days and not more than 60 days before the date of redemption. Each notice of redemption given to a holder of Series A Preferred Stock must state: (i) the redemption date; (ii) the number of shares of Series A Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (iii) the redemption price; and (iv) the place or places where certificates for such shares are to be surrendered for payment of the redemption price. In the case of a partial redemption of the Series A Preferred Stock, the shares to be redeemed will be selected either pro rata or in such other manner as our board of directors determines to be fair and equitable.

The Purchase Agreement between us and Treasury provides that so long as Treasury continues to own any shares of Series A Preferred Stock, we may not repurchase any shares of Series A Preferred Stock from any other holder of such shares unless we offer to repurchase a ratable portion of the shares of Series A Preferred Stock then held by Treasury on the same terms and conditions.

Shares of Series A Preferred Stock that we redeem, repurchase or otherwise acquire will revert to authorized but unissued shares of preferred stock.

No Conversion Rights

Holders of the Series A Preferred Stock have no right to exchange or convert their shares into common stock or any other securities.

Voting Rights

The holders of the Series A Preferred Stock do not have voting rights other than those described below, except to the extent specifically required by Pennsylvania law.

Table of Contents

Whenever dividends have not been paid on the Series A Preferred Stock for six or more quarterly dividend periods, whether or not consecutive, the authorized number of directors of Citizens & Northern will automatically increase by two and the holders of the Series A Preferred Stock will have the right, with the holders of shares of any other classes or series of Voting Parity Stock outstanding at the time, voting together as a class, to elect two directors (the Preferred Directors) to fill such newly created directorships at our next annual meeting of stockholders (or at a special meeting called for that purpose prior to the next annual meeting) and at each subsequent annual meeting of stockholders until all accrued and unpaid dividends for all past dividend periods on all outstanding shares of Series A Preferred Stock have been paid in full, at which time this right will terminate with respect to the Series A Preferred Stock, subject to revesting in the event of each and every subsequent default by us in the payment of dividends on the Series A Preferred Stock.

No person may be elected as a Preferred Director who would cause us to violate any corporate governance requirements of any securities exchange or other trading facility on which our securities may then be listed or traded that listed or traded companies must have a majority of independent directors. Upon any termination of the right of the holders of the Series A Preferred Stock and Voting Parity Stock as a class to vote for directors as described above, the Preferred Directors will cease to be qualified as directors, the terms of office of all Preferred Directors then in office will terminate immediately and the authorized number of directors will be reduced by the number of Preferred Directors which had been elected by the holders of the Series A Preferred Stock and the Voting Parity Stock. Any Preferred Director may be removed at any time, with or without cause, and any vacancy created by such a removal may be filled, only by the affirmative vote of the holders of a majority of the outstanding shares of Series A Preferred Stock voting separately as a class together with the holders of shares of Voting Parity Stock, to the extent the voting rights of such holders described above are then exercisable. If the office of any Preferred Director becomes vacant for any reason other than removal from office, the remaining Preferred Director may choose a successor who will hold office for the unexpired term of the office in which the vacancy occurred.

The term Voting Parity Stock means with regard to any matter as to which the holders of the Series A Preferred Stock are entitled to vote, any series of Parity Stock (as defined under " Dividends-Priority of Dividends) upon which voting rights similar to those of the Series A Preferred Stock have been conferred and are exercisable with respect to such matter. We currently have no outstanding shares of Voting Parity Stock.

If holders of the Series A Preferred Stock obtain the right to elect two directors and if the Federal Reserve deems the Series A Preferred Stock a class of voting securities , (a) any bank holding company that is a holder may be required to obtain the approval of the Federal Reserve to acquire more than 5% of the Series A Preferred Stock and (b) any person may be required to obtain the approval of the Federal Reserve to acquire or retain 10% or more of the then outstanding shares of Series A Preferred Stock.

In addition to any other vote or consent required by Pennsylvania law or by our articles of incorporation, the vote or consent of the holders of at least 66 2/3% of the outstanding shares of Series A Preferred Stock, voting as a separate class, is required in order to do the following:

amend our articles of incorporation to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of stock ranking senior to the Series A Preferred Stock with respect to the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of Citizens & Northern; or

amend our articles of incorporation in any way that materially and adversely affect the rights, preferences, privileges or voting powers of the Series A Preferred Stock; or

consummate a binding share exchange or reclassification involving the Series A Preferred Stock or a merger or consolidation of Citizens & Northern with another entity, unless (i) the shares of Series A Preferred Stock remain outstanding or, in the case of a merger or consolidation in which Citizens & Northern is not the surviving or resulting entity, are converted into or exchanged for preference securities of the surviving or resulting entity or its ultimate parent, and (ii) the shares of Series A Preferred Stock remaining outstanding

or such preference securities, have such rights, preferences, privileges, voting powers, limitations and restrictions, taken as a whole, as are not materially less favorable than the rights, preferences, privileges, voting powers, limitations and restrictions of the Series A Preferred Stock prior to consummation of the transaction, taken as a whole;

provided, however, that (1) any increase in the amount of our authorized but unissued shares of preferred stock, and (2) the creation and issuance, or an increase in the authorized or issued amount, of any other series of preferred stock, or any securities convertible into or exchangeable or exercisable for any other series of preferred stock, ranking equally with and/or junior to the Series A Preferred Stock with respect to the payment of dividends, whether such dividends are cumulative or noncumulative and the distribution of assets upon our liquidation, dissolution or winding up, will not be deemed to materially and adversely affect the rights, preferences, privileges or voting powers of the Series A Preferred Stock and will not require the vote or consent of the holders of the Series A Preferred Stock.

- 8 -

Table of Contents

To the extent the holders of the Series A Preferred Stock are entitled to vote, holders of shares of the Series A Preferred Stock will be entitled to one vote for each share then held.

The voting provisions described above will not apply if, at or prior to the time when the vote or consent of the holders of the Series A Preferred Stock would otherwise be required, all outstanding shares of the Series A Preferred Stock have been redeemed by us or called for redemption upon proper notice and sufficient funds have been set aside by us for the benefit of the holders of Series A Preferred Stock to effect the redemption.

DESCRIPTION OF DEPOSITARY SHARES

Pursuant to the Purchase Agreement between us and Treasury, we have agreed, if requested by Treasury, to enter into a depositary arrangement pursuant to which the shares of Series A Preferred Stock may be deposited and depositary shares, each representing a fraction of a share of Series A Preferred Stock as specified by Treasury, may be issued. The shares of Series A Preferred Stock would be held by a depositary (expected to be a bank or trust company) reasonably acceptable to Treasury. If we enter into such a depositary arrangement, the selling securityholders would be offering depositary shares, each representing a fraction of a share of Series A Preferred Stock, instead of actual whole shares of Series A Preferred Stock. The actual terms of any such depositary arrangement would be set forth in a deposit agreement to which we would be a party, which would be attached as an exhibit to a filing by us that would be incorporated by reference into this prospectus. See [Where You Can Find More Information](#).

DESCRIPTION OF WARRANT

This section summarizes specific terms and provisions of the Warrant we issued to Treasury on January 16, 2009 concurrent with our sale to Treasury of 26,440 shares of Series A Preferred Stock pursuant to the TARP Capital Purchase Program. The description of the Warrant contained in this section is qualified in its entirety by the actual terms of the Warrant, a copy of which was attached as Exhibit 4.2 to our Current Report on Form 8-K filed on January 22, 2009 and incorporated by reference into this prospectus. See [Where You Can Find More Information](#).

General

The Warrant gives the holder the right to initially purchase up to 194,794 shares of our common stock at an exercise price of \$20.36 per share. Subject to the limitations on exercise to which Treasury is subject described under [Transferability](#), the Warrant is immediately exercisable and expires on January 16, 2019. The exercise price may be paid (i) by having us withhold from the shares of common stock that would otherwise be issued to the warrant holder upon exercise, a number of shares of common stock having a market value equal to the aggregate exercise price or (ii) if both we and the warrant holder consent, in cash.

Possible Reduction in Number of Shares

If we (or any successor to us by a business combination) complete one or more Qualified Equity Offerings (as defined under [Description of Series A Preferred Stock Redemption and Repurchases](#)) prior to December 31, 2009 resulting in aggregate gross proceeds of at least \$26.44 million, the number of shares of common stock underlying the Warrant then held by Treasury will be reduced by 50%. The number of shares subject to the Warrant are subject to further adjustment as described below under [Other Adjustments](#).

Transferability

The Warrant is not subject to any restrictions on transfer; however, Treasury may only transfer or exercise the Warrant with respect to one-half of the shares underlying the Warrant prior to the earlier of (i) the date on which we (or any successor to us by a business combination) have received aggregate gross proceeds of at least \$26.44 million from one or more Qualified Equity Offerings (including those by any successor to us by a business combination) and (ii) December 31, 2009.

Table of Contents

Voting of Warrant Shares

Treasury has agreed that it will not vote any of the shares of common stock that it acquires upon exercise of the Warrant. This does not apply to any other person who acquires any portion of the Warrant, or the shares of common stock underlying the Warrant, from Treasury.

Other Adjustments

The exercise price of the Warrant and the number of shares underlying the Warrant automatically adjust upon the following events:

any stock split, stock dividend, subdivision, reclassification or combination of our common stock;

until the earlier of (i) the date on which Treasury no longer holds any portion of the Warrant and (ii) January 16, 2009, issuance of our common stock (or securities convertible into our common stock) for consideration (or having a conversion price per share) less than 90% of then current market value, except for issuances in connection with benefit plans, business acquisitions and public or other broadly marketed offerings;

a pro rata repurchase by us of our common stock; or

a determination by our board of directors to make an adjustment to the anti-dilution provisions as are reasonably necessary, in the good faith opinion of the board, to protect the purchase rights of the warrant holders.

In addition, if we declare any dividends or distributions on our common stock other than our historical, ordinary cash dividends, dividends paid in our common stock and other dividends or distributions covered by the first bullet point above, the exercise price of the Warrant will be adjusted to reflect such distribution.

In the event of any merger, consolidation, or other business combination to which we are a party, the Warrant holder's right to receive shares of our common stock upon exercise of the Warrant will be converted into the right to exercise the Warrant to acquire the number of shares of stock or other securities or property (including cash) which the common stock issuable upon exercise of the Warrant immediately prior to such business combination would have been entitled to receive upon consummation of the business combination. For purposes of the provision described in the preceding sentence, if the holders of our common stock have the right to elect the amount or type of consideration to be received by them in the business combination, then the consideration that the Warrant holder will be entitled to receive upon exercise will be the amount and type of consideration received by a majority of the holders of the common stock who affirmatively make an election.

No Rights as Stockholders

The Warrant does not entitle its holder to any of the rights of a stockholder of Citizens & Northern.

DESCRIPTION OF COMMON STOCK

For purposes of this section, the terms we, our and us refer only to Citizens & Northern and not its subsidiaries.

The following description of shares of our common stock, par value \$1.00 per share, or common stock is a summary only and is subject to applicable provisions of the Pennsylvania Business Corporation Law of 1988, as amended (the BCL), and to our articles of incorporation and our bylaws. You should refer to, and read this summary together with, our articles of incorporation and bylaws to review all of the terms of our common stock.

General

Our articles of incorporation provide that we may issue up to 20,000,000 shares of common stock, par value of \$1.00 per share. As of February 7, 2009, 8,940,928 shares of our common stock were issued and outstanding. All outstanding shares of our common stock are fully paid and nonassessable. Our common stock is traded on the NASDAQ Capital Market under the symbol CZNC.

Voting Rights

Each outstanding share of our common stock entitles the holder to one vote on all matters submitted to a vote of shareholders, including the election of directors. The holders of our common stock possess exclusive voting power, except as otherwise provided by law or by articles of amendment establishing any series of our preferred stock,

including the voting rights held by holders of our Series A Preferred Stock.

Table of Contents

There is no cumulative voting in the election of directors, which means that the holders of a plurality of our outstanding shares of common stock can elect all of the directors then standing for election. When a quorum is present at any meeting, questions brought before the meeting will be decided by the vote of the holders of a majority of the shares present and voting on such matter, whether in person or by proxy, except when the meeting concerns matters requiring the vote of the holders of a majority of all outstanding shares under applicable law. Our articles of incorporation provide certain anti-takeover provisions that require super-majority votes, which may limit shareholders rights to effect a change in control, as described under the section below entitled **Anti-Takeover Effects of Certain Articles of Incorporation Provisions**.

Dividends, Liquidation and Other Rights

Holders of shares of common stock are entitled to receive dividends only when, as and if approved by our board of directors from funds legally available for the payment of dividends, after payment of dividends on our outstanding series of preferred stock. Our shareholders are entitled to share ratably in our assets legally available for distribution to our shareholders in the event of our liquidation, dissolution or winding up, voluntarily or involuntarily, after payment of, or adequate provision for, all of our known debts and liabilities and of any preferences of Series A Preferred Stock or any other series of our preferred stock that may be outstanding in the future. These rights are subject to the preferential rights of any other series of our preferred stock that may then be outstanding.

Holders of shares of our common stock have no preference, conversion, exchange, sinking fund or redemption rights and have no preemptive rights to subscribe for any of our securities. Our board of directors may issue additional shares of our common stock or rights to purchase shares of our common stock without the approval of our shareholders.

Transfer Agent and Registrar

Subject to compliance with applicable federal and state securities laws, our common stock may be transferred without any restrictions or limitations. The transfer agent and registrar for shares of our common stock is American Stock Transfer & Trust Company.

ANTI-TAKEOVER EFFECTS OF CERTAIN ARTICLES OF INCORPORATION PROVISIONS

Our articles of incorporation contain certain provisions that make it more difficult to acquire control of us by means of a tender offer, open market purchase, a proxy fight or otherwise. These provisions are designed to encourage persons seeking to acquire control of us to negotiate with our directors. We believe that, as a general rule, the interests of our shareholders would be best served if any change in control results from negotiations with our directors.

Our articles of incorporation provide for a classified board, to which approximately one-third of our board of directors is elected each year at our annual meeting of shareholders. Accordingly, our directors serve three-year terms rather than one-year terms. The classification of our board of directors has the effect of making it more difficult for shareholders to change the composition of our board of directors. At least two annual meetings of shareholders, instead of one, will generally be required to effect a change in a majority of our board of directors. Such a delay may help ensure that our directors, if confronted by a holder attempting to force a proxy contest, a tender or exchange offer, or an extraordinary corporate transaction, would have sufficient time to review the proposal as well as any available alternatives to the proposal and to act in what they believe to be the best interests of our shareholders. The classification provisions apply to every election of directors, however, regardless of whether a change in the composition of our board of directors would be beneficial to us and our shareholders and whether or not a majority of our shareholders believe that such a change would be desirable.

The classification of our board of directors could also have the effect of discouraging a third party from initiating a proxy contest, making a tender offer or otherwise attempting to obtain control of us, even though such an attempt might be beneficial to us and our shareholders. The classification of our board of directors could thus increase the likelihood that incumbent directors will retain their positions. In addition, because the classification of our board of directors may discourage accumulations of large blocks of our stock by purchasers whose objective is to take control of us and remove a majority of our board of directors, the classification of our board of directors could tend to reduce the likelihood of fluctuations in the market price of our common stock that might result from accumulations of large blocks of our common stock for such a purpose. Accordingly, our shareholders could be deprived of certain opportunities to sell their shares at a higher market price than might otherwise be the case.

Table of Contents

Additionally our articles of incorporation and bylaws contain certain other provisions that may have the effect of deterring or discouraging an attempt to take control of Citizens & Northern. Among other things, these provisions: do not permit shareholders' actions without a meeting;

eliminate cumulative voting in the election of directors;

require advance notice of nominations for the election of directors and the presentation of shareholder proposals at meetings of shareholders;

permit Citizens & Northern's board of directors to consider the effects on Citizens & Northern's employees, customers, depositors and communities it serves when determining whether to oppose any tender offer for Citizens & Northern outstanding common stock;

require the affirmative vote of at least 75% of the votes that all shareholders are entitled to cast to approve any merger, consolidation or dissolution unless such action is approved in advance by the affirmative vote of 66 2/3% of the Citizens & Northern board of directors;

require that mergers and other similar transactions with a person or entity holding more than 5% of Citizens & Northern's stock, be approved by the affirmative vote of at least 75% of the votes entitled to be cast by the remaining shareholders, unless the transaction is approved, in advance, by at least 66 2/3% of the Citizens & Northern directors elected prior to the time any such person became the owner of more than 10% of Citizens & Northern common stock or elected by the remaining shareholders;

require that, following the acquisition by any person or group of 30% of Citizens & Northern common stock, the remaining shareholders shall have the right to receive payment for their shares, in cash, from such person or group, in an amount equal to the fair value of the shares, including an increment representing a proportion of any value payable for control, unless such acquisition was approved in advance by 66-2/3% or more of the board of directors;

require an affirmative vote of at least 75% of the votes that all shareholders are entitled to cast in order for the shareholders to repeal or amend Citizens & Northern's bylaws; and

require the affirmative vote of shareholders entitled to cast at least 75% of the votes entitled to be cast to approve the repeal or amendment of certain provisions of Citizens & Northern's articles of incorporation.

Broker-dealers, agents or underwriters may receive compensation in the form of discounts, concessions or commissions from the selling securityholders and/or the purchasers of securities for whom such broker-dealers, agents or underwriters may act as agents or to whom they sell as principal, or both (this compensation to a particular broker-dealer might be in excess of customary commissions).

The selling securityholders may also sell offered securities directly. In this case, no underwriters or agents would be involved.

The securities may be sold from time to time in one or more transactions, and in any combination of transactions:

at fixed prices, which may be changed;

at market prices prevailing at the time of the sale;

at varying prices determined at the time of sale; or

at negotiated prices.

Any securities covered by this prospectus which qualify for sale pursuant to Rule 144 or Rule 144A promulgated under the Securities Act may also be sold under Rule 144 or Rule 144A in certain instances, rather than pursuant to this prospectus. In addition to selling the securities under this prospectus, the selling securityholders may transfer the securities in other ways not involving market makers or established trading markets, including directly by gift, distribution, or other transfer. The selling securityholders may also transfer the shares by other means not described in this prospectus. Moreover, the selling securityholders may decide not to sell any securities offered hereby.

In addition, in connection with the sale of the securities or otherwise, the selling securityholders may enter into derivative or hedging transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions, which may in turn engage in short sales of the common stock issuable upon exercise of the Warrant in the course of hedging the positions they assume. The selling securityholders may also sell short the common stock issuable upon exercise of the Warrant and deliver common stock to close out short positions, or loan or

pledge the Series A Preferred Stock or the common stock issuable upon exercise of the Warrant to broker-dealers that in turn may sell these securities.

In connection with resales of the securities or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the securities and deliver securities to close out such short positions, or loan or pledge common stock to broker-dealers that in turn may sell such securities. Such transactions may be effected by the selling securityholders at market prices prevailing at the time of sale, at prices related to such prevailing market prices, at negotiated prices or at fixed prices. The selling securityholders may effect such transactions by selling the securities to or through broker-dealers and such broker-dealers may receive compensation in the form of discounts or commissions from the selling securityholders and may receive commissions from the purchasers of the securities for whom they may act as agent (which discounts or commissions from the selling securityholders or such purchasers will not exceed those customary in the type of transactions involved).

Table of Contents

In offering the securities covered by this prospectus, the selling securityholders and any broker-dealers who execute sales for the selling securityholders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling securityholders and the commission, discounts and any other compensation of any broker-dealer or any profits in resales of the securities by broker-dealers may be deemed to be underwriting discounts and commissions under the Securities Act. Selling securityholders who are underwriters within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

The selling securityholders and any underwriters and distribution participants will be subject to applicable provisions of the Exchange Act and the associated rules and regulations under the Exchange Act, including Regulation M, which provisions may limit the timing of purchases and sales of shares by the selling securityholders. Furthermore, under Regulation M, persons engaged in a distribution of securities are prohibited from simultaneously engaging in market making and certain other activities with respect to such securities for a specified period of time prior to the commencement of such distributions, subject to special exceptions or exemptions. In addition, the anti-manipulation rules under the Exchange Act may apply to sales of the securities in the market. All of these limitations may affect the marketability of the securities and the ability of any person to engage in market-making activities with respect to the securities.

Underwriters and others who are deemed to be underwriters under the Securities Act may engage in transactions that stabilize, maintain or otherwise affect the price of the common stock, including the entry of stabilizing bids or syndicate covering transactions or the imposition of penalty bids.

We will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act, upon being notified by the selling securityholders that a material arrangement has been entered into with a broker, dealer, agent or underwriter for the sale of securities through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer. Such prospectus supplement will disclose:

the name of the selling securityholders and any participating broker, dealer, agent or underwriter;

the number and type of securities involved;

the price at which such securities were sold;

any securities exchanges on which such securities may be listed;

the commissions paid or discounts or concessions allowed to any such broker, dealer, agent or underwriter where applicable; and

other facts material to the transaction.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states, the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Neither the Series A Preferred Stock nor the Warrant is listed on a national securities exchange or any securities market. Unless requested by the initial selling securityholder, we do not intend to list the Series A Preferred Stock on any exchange. We do not intend to list the Warrant on any exchange. No assurance can be given as to the liquidity of the trading market, if any, for the Series A Preferred Stock.

SELLING SECURITYHOLDERS

The selling securityholders may include (i) Treasury, which acquired all of the shares of Series A Preferred Stock and the Warrant from us on January 16, 2009 in a private placement exempt from the registration requirements of the Securities Act, and (ii) any other person or persons holding shares of Series A Preferred Stock or depositary shares evidencing fractional interests in shares of Series A Preferred Stock, any portion of the Warrant and any shares of our common stock issued upon exercise of the Warrant, to whom Treasury has transferred its registration rights under the terms of the Purchase Agreement between us and Treasury. Treasury is required to notify us in writing of any such transfer of its registration rights within ten days after the transfer, including the name and address of the transferee and the number and type of securities with respect to which the registration rights have been assigned. As of the date of this prospectus, Treasury has not notified us of any such transfer. Accordingly, we believe that Treasury currently holds record and beneficial ownership of 100% of the outstanding shares of the Series A Preferred Stock and the entire amount of the Warrant (none of which has been exercised) covered by this prospectus.

The securities to be offered under this prospectus for the account of the selling securityholders are:

26,440 shares of Series A Preferred Stock, representing beneficial ownership of 100% of the shares of series A preferred stock outstanding on the date of this prospectus;

in the event shares of Series A Preferred Stock are deposited with a depositary, depositary shares evidencing fractional interests in such shares;

a warrant to purchase 194,794 shares of our common stock, representing beneficial ownership of approximately 2.13% of our common stock as of February 7, 2009; and

194,794 shares of our common stock issuable upon exercise of the Warrant, which shares, if issued, would represent ownership of approximate 2.13% of our common stock as of February 7, 2009.

For purposes of this prospectus, we have assumed that, after completion of the offering covered by this prospectus, none of the securities covered by this prospectus will be held by the selling securityholders.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. To our knowledge, the initial selling securityholder has sole voting and investment power with respect to the securities, subject to restrictions on exercise of voting rights on Series A Preferred and common stock issuable upon exercise of the Warrant as described in Description of Series A Preferred Stock and Description of the Warrant above, respectively.

We do not know when or in what amounts the selling securityholders may offer the securities for sale. The selling securityholders might not sell any or all of the securities offered by this prospectus. Because the selling securityholders may offer all or some of the securities pursuant to this offering, and because currently no sale of any of the securities is subject to any agreements, arrangements or understandings, we cannot estimate the number of the securities that will be held by the selling securityholders after completion of the offering.

Other than with respect to the acquisition of the securities, the initial selling securityholder has not had a material relationship with us.

Information about the selling securityholders may change over time and changed information will be set forth in supplements to this prospectus if and when necessary.

VALIDITY OF SECURITIES

Unless otherwise indicated in the applicable prospectus supplement, certain legal matters with respect to the securities will be passed upon for us by Rhoads & Sinon LLP, counsel to Citizens & Northern.

Item 15. Indemnification of Directors and Officers

Subchapter D of Chapter 17 of the Pennsylvania Business Corporation Law of 1988, as amended, provides that a business corporation has the power under certain circumstances to indemnify its directors, officers, employees and agents against certain expenses incurred by them in connection with any threatened, pending or completed action, suit or proceeding and provides for mandatory indemnification under certain circumstances when the indemnified person has been successful in defense of a claim.

Article VIII of Citizens & Northern's bylaws provides as follows:

Section 8.1. INDEMNIFICATION. The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative by reason of the fact that such person is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership joint venture, trust, or other enterprise, against expenses (including attorneys fees), amounts paid in settlement, judgments, and fines actually and reasonably incurred by such person in connection with such action, suit, or proceeding; provided, however, that no indemnification shall be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Section 8.2. ADVANCEMENT OF EXPENSES. Expenses (including attorneys fees) incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee, or agent to repay such amount if it shall be ultimately determined that he is not entitled to be indemnified by the Corporation as authorized in this Article VIII.

Section 8.3. NONEXCLUSIVITY. The indemnification provided by this Article VIII shall not be deemed exclusive of any other right to which persons seeking indemnification may be entitled under any agreement, vote of shareholders or disinterested directors, or otherwise, both as to actions in such persons' official capacity and as to their actions in another capacity while holding office, and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such person.

Section 8.4. INSURANCE. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability under the provisions of this Article VII.

Item 17. Undertakings

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
 - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933, as amended, to any purchaser:
- (i)

- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933, as amended, to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934, as amended, (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934, as amended) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, that Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
