ITEM 1.01—ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Credit Agreement

On October 2, 2017 (the “Closing Date”), Cincinnati Bell Inc. (the “Company”) entered into a new Credit Agreement (the “Credit Agreement”), by and among the Company, the guarantors party thereto, the lenders party thereto, PNC Bank, National Association, as a swingline lender, and Morgan Stanley Senior Funding, Inc., as administrative agent (the “Administrative Agent”), collateral agent, a swingline lender and a letter of credit issuer. The Credit Agreement provides for (i) a five-year \$200 million senior secured revolving credit facility (including both a letter of credit subfacility of up to \$30 million and a swingline loan subfacility of up to \$25 million) (the “Revolving Credit Facility”) and (ii) a seven-year \$600 million senior secured term loan facility (the “Term Loan Facility” and, together with the Revolving Credit Facility, the “Credit Facilities”).

The proceeds of loans under the Term Loan Facility will be used, together with cash on hand of the Company, to (i) refinance the Company’s existing credit facilities, (ii) fund the purchase price for the acquisition of OnX Holdings LLC, a Delaware limited liability company (“OnX”), and pay costs and expenses incurred in connection therewith, (iii) fund in part the cash portion of the consideration for the previously announced merger with Hawaiian Telcom Holdco, Inc., a Delaware corporation (“Hawaiian Telcom”) and pay costs and expenses incurred in connection therewith and (iv) fund working capital and other general corporate purposes. The Revolving Credit Facility is undrawn as of the Closing Date.

Borrowings under the Credit Facilities will bear interest, at the Company’s option, at a rate per annum determined by reference to either the London Interbank Offered Rate (“LIBOR”) or an adjusted base rate, in each case plus an applicable margin. In the case of the Term Loan Facility, the adjusted base rate and LIBOR will not, in any event, be less than 2.00% and 1.00%, respectively. The applicable margin for the Credit Facilities with respect to LIBOR borrowings will be 3.75% and, with respect to adjusted base rate borrowings, will be 2.75%. In addition, the Company will be required to pay a commitment fee on any unused portion of the Revolving Credit Facility at a rate of 0.50% per annum, or, if the consolidated total leverage ratio of the Company and its restricted subsidiaries is equal to or less than 3.25 to 1.00, 0.375% per annum. The Company will also pay customary letter of credit fees, including a fronting fee equal to 0.125% per annum of the dollar equivalent of the maximum amount available to be drawn under all outstanding letters of credit, as well as customary issuance and administration fees.

The obligations under the Credit Facilities are obligations of the Company and are (i) guaranteed by each existing and future direct or indirect material restricted subsidiary of the Company, subject to certain exceptions and (ii) secured by substantially all of the assets of the Company and the subsidiary guarantors, subject to certain exceptions.

Under the Credit Facilities, the Company may incur incremental term loan indebtedness or incremental equivalent indebtedness in an amount up to \$350 million (the “HCOM Incremental Amount”) in connection with the Company’s consummation of the merger with Hawaiian Telcom. The Company may use the HCOM Incremental Amount to (i) refinance the existing indebtedness of Hawaiian Telcom, (ii) fund in part the cash portion of the merger consideration for the previously announced merger with Hawaiian Telcom and (iii) pay fees and expenses incurred in connection with the foregoing.

The Revolving Credit Facility will require maintenance of a maximum consolidated secured leverage ratio of 3.50 to 1.00 and a minimum consolidated interest coverage ratio of 1.50 to 1.00. The Company may voluntarily repay and reborrow outstanding loans under the Revolving Credit Facility at any time without a premium or a penalty, other than customary “breakage” costs with respect to LIBOR revolving loans.

The Term Loan Facility is subject to a 1.00% prepayment premium for any amounts repaid in connection with a “repricing transaction” until the date that is 180 days after the earliest of (i) the closing of the Hawaiian Telcom merger,

(ii) the deposit of the HCOM Incremental Amount into escrow in accordance with the terms and conditions of the Credit Agreement or (iii) the termination of the merger with Hawaiian Telcom. Borrowings under the Term Loan Facility will amortize in equal quarterly installments at a rate of 1.00% per annum, with the balance due upon maturity of the Term Loan Facility.

In addition to and separate from the HCOM Incremental Amount, the Company may, subject to the terms and conditions of the Credit Agreement, incur incremental term loans under the Term Loan Facility and/or increase the commitments under the Revolving Credit Facility in an aggregate amount of up to (i) \$200 million plus (ii) an unlimited amount, so long as, on a pro forma basis, after giving effect to any such incremental term loans or increases in commitments, its consolidated secured leverage ratio would not exceed 1.80 to 1.00, pursuant to an uncommitted incremental facility. This uncommitted incremental facility may be increased by an additional \$150 million to finance certain acquisitions and investments permitted under the Credit Agreement.

The Credit Agreement contains customary representations and warranties and affirmative covenants. The Credit Agreement contains negative covenants that, subject to certain exceptions, qualifications and baskets, limit the ability of the Company and its restricted subsidiaries to, among other things, incur indebtedness; incur liens; make asset sales; merge, consolidate or undertake certain other fundamental changes; make restricted payments in respect of equity interests and make investments; undertake transactions with affiliates; enter into restrictions on liens and other restrictive agreements; and make changes in fiscal year. The Credit Agreement also contains customary events of default, including non-payment of principal, interest, fees or other amounts, failure to observe or perform any covenant, material inaccuracy of any representation or warranty, default in respect of other material debt of the Company and its restricted subsidiaries, bankruptcy or insolvency, the entry against the Company or any of its restricted subsidiaries of one or more material judgments, the occurrence of certain events related to pension plans, impairment of the loan documentation and the occurrence of a change of control.

The foregoing description of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Supplemental Indenture

("Twin"), and Regions Bank, as trustee, entered into a Third Supplemental Indenture (the "Third Supplemental Indenture"). The Third Supplemental Indenture supplements that certain indenture dated September 22, 2016 among the Company, the guarantors party thereto and Regions Bank, as trustee (as supplemented, the "7.00% Indenture") governing the issuance of the Company's 7.00% Senior Notes due 2024 (the "7.00% Notes"), by adding CBSS, DCSH and Twin as parties to the 7.00% Indenture and as guarantors of the 7.00% Notes. As CBSS, DCSH and Twin are guarantors party to the Company's Credit Agreement, in accordance with the Third Supplemental Indenture, CBSS, DCSH and Twin will jointly and severally guarantee, with the existing guarantors party to the 7.00% Indenture, the obligations of the Company with respect to the 7.00% Notes, in accordance with the terms and conditions of the 7.00% Indenture.

ITEM 2.01—COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On October 2, 2017, the Company completed its previously announced acquisition of OnX, pursuant to the Agreement and Plan of Merger (the “Merger Agreement”) by and among the Company, Yankee Acquisition LLC, a Delaware limited liability company and wholly-owned subsidiary of the Company (“OnX Merger Sub”), OnX and MLN Holder Rep LLC, a Delaware limited liability company and solely in its capacity as representative of the Unitholders (the “Representative”). Pursuant to the Merger Agreement, OnX Merger Sub merged with and into OnX (the “Merger”), with OnX continuing as the surviving company and a wholly-owned subsidiary of the Company.

As a result of the Merger, the Company paid the holders of OnX's limited liability company interests (the "Unitholders") aggregate merger consideration of \$201 million in cash, on a cash-free, debt-free basis, subject to customary post-closing adjustments.

The foregoing description of the Merger Agreement and the Merger does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.2 to the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission (the "SEC") on July 10, 2017 and is incorporated herein by reference.
